To mail this form, fold here so the address is visible, tape closed (no staples please), and drop in the mail.
No postage is necessary. Please print your name and address below, then check any boxes that apply.

Name: _____

Address: _____

City/State/Zip: _____

E-mail address: _____

- Please add my name to the contact list.
- Please note corrections to my name or address (attach mailing label if possible).
- Please remove my name from the contact list.

Note: Before including your address, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Thank you for your interest in Buffalo National River!

Comment Form

Newsletter #1, Summer 2009
Buffalo National River
Arkansas

National Park Service
U.S. Department of the Interior

Your input is important to the planning team. Comments are welcome at any time, although comments received by August 31, 2009 will be most helpful. We encourage you to comment electronically at <http://parkplanning.nps.gov/buff> or www.nps.gov/buff (click on the planning website link in the article about the general management plan). Otherwise, please use this form to express your ideas and concerns about the future of Buffalo National River. Feel free to attach additional pages if you need more space (no staples please). Please see the reverse side of this form for the National Park Service's policy on making comments available for public review.

What characteristics of Buffalo National River are special to you and why?

What kinds of activities do you enjoy most when visiting Buffalo National River?

When you have visited Buffalo National River, have you experienced any conflicts with other types of visitor activities? If so, what was the conflict?

Imagine you are visiting Buffalo National River 20 years from now. What resource conditions would you like to see and what experiences would you like to have at the national river? Would there be any changes from the present?

Please share any other ideas, concerns, or comments.
