

COMMERCIAL USE AUTHORIZATION FOR WATER ACCESS
OPERATING PLAN – EXHIBIT B

OVERVIEW

The CUA for Water Access allows the CUA holder to access Yellowstone River by traveling through National Park Service property for the purpose of providing guided tours and trips.

GENERAL PROVISIONS

1. Guides must unload equipment and clients in an expedient manner and vacate the access area as soon as possible (15 minutes). The unloading area for all river access will be the cul-de-sac of Park Street in Gardiner, Montana.
2. Parking is only allowed for active loading and unloading (approximately 15 minutes). Vehicles may not block traffic in the process. Parking is not permitted along Front or Park Streets. Please see the attached map with shows park boundaries along the North Entrance.
3. Traffic into and around the Gardiner Service Center and the Xanterra bunkhouse is restricted to authorized vehicles and personnel only. CUA holders are not authorized to use this area.
4. Guides must not create a disturbance in residential and administrative areas.
5. The CUA holder shall be liable for any damages to any property of the United States and Xanterra resulting from the use authorized hereunder.
6. A CUA for Wedding and Portrait Photography is required for photos taken within the boundaries of Yellowstone National Park and sold individually or as part of a tour package.
7. CUA holders are not authorized to store vehicles or equipment in the parking areas highlighted in yellow on the attached map.

I have read and agree to the Water Access CUA conditions. I hereby confirm that myself, all guides, and all relevant employees will be trained in the requirements of this CUA, the Yellowstone CUA Special Park Conditions, and this Operating Plan.
