

## CAHA ORV Routes & Areas Table 11/05/08

**NPS is not seeking or considering public comment on these materials at this time. NPS is sharing this information with the negotiated rulemaking advisory committee now solely for members' use in negotiating a consensus alternative for recommendation to the NPS. NPS highly values public input in the planning process and will actively seek public comment on the draft environmental impact statement (DEIS), which will include these alternatives and an analysis of their impacts. NPS plans to have the DEIS ready for public review in the early fall of 2009.**

		Alts A & B– No Action	Alternative C	Alternative D	Alternative E
Oceanside Location	Mileage	ORV Use Areas (X = No ORV use permitted, YR = ORV permitted Year Round) All ORV use areas subject to temporary resource closures			
Ramp 1 to ¼ mile north of Coquina Beach	1.0	OPEN YR (currently safety closure)	OPEN March 15 - October 14	X	X Expand parking at Ramp 1 to 25 spaces
¼ mile north of Coquina Beach to 1.0 mile south of Coquina beach	1.2	X (South of Ramp 2 @ Coquina Beach OPEN YR)	X	X	X Expand parking to 250 spaces
1 mile south of Coquina to Ramp 4 (Construct new "Ramp 3" north of campground. Location TBD. Ramp 4 to be closed when Bonner Bridge construction occurs.)	1.8	OPEN YR	OPEN YR (Construct new "Ramp 3" approximately 1 mile north of campground; location TBD. Ramp 4 to be closed when Bonner Bridge construction occurs. Restore old Ramp 4. Provide 25-space day use parking and trailhead near Oregon Inlet Campground.)	Same as alternative C.	Same as alternative C.
Ramp 4 to end of Bodie Island Spit (Resource Area)	2.1	OPEN YR	OPEN October 15 – March 14 Establish pedestrian route from new parking area near Oregon Inlet Campground. Pedestrian access to spit allowed along designated access corridor, subject to site specific resource closures, during ORV closure. (SM 2)	X (SM 1)	OPEN September 1 - March 14 OPEN (restricted*): Mar 15 – Aug 31 *See specific plan for Bodie Island Spit access during breeding season. (SM2) Establish pedestrian route from new parking (25 spaces) near Oregon Inlet Campground. ORV pass-through corridor allowed during incubation if prescribed buffers can be met. After chicks hatch, pedestrian access to spit allowed along designated access corridor, subject to site specific resource closures. NPS would allow water taxi service to spit from Oregon Inlet Fishing Center, subject to designated landing zone and site specific resource closures.
Rodanthe – Waves – Salvo to Ramp 23 (includes Tri-Village beaches)	5.3	OPEN September 16 – May 14	X Expand parking to 50 spaces at Ramp 23.	X	OPEN November 1 - March 31 Expand parking to 50 spaces at Ramp 23.
Ramp 23 – Ramp 27	4.4	OPEN YR	OPEN YR	OPEN YR	OPEN YR Establish one new Ramp at 24 or 26, with new parking area with 50 spaces.
