- 9:00 Designating ORV Routes and Areas, *Update from the Work Group*
- 9:30 Designating ORV Routes and Areas, *Discussion*
- Pending the outcome of the work group meeting on May 1, the Committee will work as a whole or in subgroups on identifying designated ORV routes and areas, areas of disagreement, alternate interdunal routes, as needed, ramps and parking
 - The Committee will keep in mind and discuss related issues that may impact or constrain current discussions including among others:
 - Village Closures
 - Permits, passes
 - Natural resource closures
 - Carrying Capacity
- 10:30 Break
- 10:45 Continue Discussion of Designating ORV Areas and Routes
- 12:00 Public Comment (3 minutes per person)
Specific comments are requested on the following --
- What are the most important questions the Committee should consider about identifying designated ORV routes and areas and why?
 - What information can you provide or does the Committee need to address these questions?

- 10:15 Break
- 10:30 Continue Discussion of Species Protection and Natural Resources
- 11:30 Next Steps on Species Protection and Natural Resources, *Discussion*
- How can the Committee best move the issues relating to species protection and natural resources forward in the coming months?
 - How to ensure all have a common base of the science available?
 - How to engage on issues that combine science, policy, management, law, and values?
 - What forum is best to further this discussion and with whom?
 - What is the role, if any, of "outside" technical assistance, such as recovery teams, independent scientists, etc.?
- 12:00 Public Comment
Specific comments are requested on the following --
- How should the Committee address species protection and natural resource issues related to ORV management in the long-term plan?
 - What information can you provide or does the Committee need to address these issues?
- 12:30 Lunch (*if there are additional public commenters, we will take a 15 minute break to get food followed by continuing public comment during lunch*)
