Please see the reverse side of this form for the National Park Service's policy on making comments available for public review.

1. Please describe your favorite activities within Big Cypress and how the proposed alternatives accommodate those activities.
2. Is there an existing alternative that could be improved, and if so, what improvements would you make?
3. If you were the Preserve Superintendent, how would you create a perfect alternative for the future management of the Big Cypress National Preserve Addition? Please describe in detail how this alternative would look on the ground.
4. In reviewing the map indicating the lands the NPS has identified to be eligible for wilderness, do you agree with the findings? If not, please describe what you would change and why.
