

**GOLDEN GATE NATIONAL RECREATION AREA
DRAFT DOG MANAGEMENT PLAN/DRAFT EIS**

ERRATA SHEET

February 28, 2011

List of corrections found in the Draft Plan/DEIS, post-printing.

Volume 1

- Table 3, Summary of Alternative Elements by County, North to South, pg. 53 - Fort Funston Beach Alternatives B and E should read: "On leash with seasonal closure at the foot of the northernmost bluffs when bank swallows are nesting."
- Table ES-1, Summary of Alternative Elements, pg. x – Fort Funston Beach Alternatives B and E should read: "On leash with seasonal closure at the foot of the northernmost bluffs when bank swallows are nesting."
- Pg. 273: The last sentence on this page should read: "The area closest to Stinson Beach where dogs are allowed off leash is the county beach area – Upton Beach – adjacent to the NPS beach."

Volume 2

- Map 1, Vicinity Map – Pedro Point and Cattle Hill are not currently managed by GGNRA, although shaded as such.
- Map 13, Preferred Alternative: Lands End – the El Camino del Mar Trail should be shaded as an on-leash trail (blue shading)
- Appendix E, pg. E2 – first bullet on this page should read: "Dog walkers must keep dogs on leash in parking lots and on paths that access ROLAs."
