

Comment Form

Please let us know which ideas presented in the management concepts that you think are best for Lava Beds National Monument. Below are some questions to help you with your thoughts. You may also provide comments to us through the monument's GMP planning website at http://parkplanning.nps.gov/labe. Feel free to suggest new ideas not presented in this newsletter. The comment period will extend through **February 28, 2008**. We hope that you will remain involved with planning for the future of Lava Beds National Monument.

- Which management concept, or parts of a management concept, best meets your vision for Lava Beds National Monument? Tell us why.
- Which management concept, or parts of a management concept, would allow you to have the experiences you would like to have in Lava Beds National Monument?

Identify the management concept, or parts of a management concept, that best protects the park's significant natural and cultural resources. Tell us why.

Let us know if you have additional ideas for Lava Beds National Monument that are not represented in the preliminary management concepts.

You may use the space at the back of this form or a separate sheet of paper to share other thoughts or ideas \Rightarrow

	I would like to be placed on the mailing list for the general management planning I would like to be taken off of the mailing list. The address you have is incorrect. Please change it to the following:	j effort.
