Your opinions are important to this project. Please use the space below to write your questions or comments. If you need additional room to write, please use additional paper or take additional comment sheets.

1. What three features in the study area do you value most? Why are these features important to you?

2. Which proposed concept do you most prefer? Please explain what you like about this concept and any suggestions you have to further improve it.

3. Do you have any suggestions for new, modified, or combined concepts? If so, please explain.

4. Do you have any comments on the preliminary impact topics? Please identify natural, cultural, or community resources in the study area that are important to you.

5. Please identify the views within the study area that are important to you. Why do you value these locations? (This information will assist us with developing the *Visual Resources Analysis*.)
