

## PUBLIC COMMENT PERIOD - COMMENTS ACCEPTED UNTIL APRIL 8, 2010

The National Park Service, in cooperation with the Federal Highway Administration, has prepared an Environmental Assessment (EA) for the NC 12 Improvements within Cape Hatteras National Seashore, Dare County, North Carolina. The proposed improvements to NC 12 from Whalebone Junction south for a distance of 5.28 miles include road resurfacing, culvert and sign replacement, widening of the paved shoulders to a width of 5 feet, and other miscellaneous improvements. These highway improvements would be implemented to remedy existing safety hazards and improve conditions for motorists, bicyclists, and pedestrians using this segment of NC 12.

The public comment period will open on March 10, 2010 and close on April 8, 2010.
