

1 The southern portion of Agassiz Park continues to house affordable elderly housing administered
2 by the Calumet Housing Authority. Parking for the facility is reorganized and sidewalks,
3 ornamental plants, and paved plazas are added to provide more outdoor activity areas for
4 residents. Resident gardens are maintained, and more are added if interest is shown.
5
6 The south end of Fourth Street near the intersection with Red Jacket Road is revised to provide
7 parallel parking on both sides of Fourth Street, as well as two-way traffic. The parking lot
8 between Fourth Street and the Farmers & Merchants Mutual Fire Insurance Company is revised
9 to accommodate the street revisions and parking lots are added on either side of the building.
10 Sidewalks are provided along the south end of Fourth Street and a pedestrian plaza enhances the
11 entrance to the Farmers & Merchants Mutual Fire Insurance Company building. Alternately,
12 should the private parking lot south of Scott Street and north of the visitor center become
13 available for purchase, it would serve the NPS well to consider acquisition. This lot could better
14 serve visitors and reduce infrastructure development costs related to parking and circulation.
