

## A BILL

To authorize the Every Word We Utter Monument to establish a commemorative work in the District of Columbia and its environs, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

## SECTION 1. FINDINGS.

Congress finds as follows:

(1) A monument as a tribute to the magnitude of the suffragists' seven-decade effort to pass the 19th Amendment in a way that engages the viewer and serves as a call to action for present and future generations is appropriate on Federal land.

(2) Such a monument should include—

(A) a sculptural portrait to honor Susan B.

## BACKGROUND AND BILL STATUS

On January 10, 2019 Congressman Joe Neguse introduced H.R. 473. On June 19, 2019, Senator Michael Bennet introduced companion bill S. 1705. The purpose of the legislation is to authorize the establishment of the Every Word We Utter Monument in recognition of the 70-year suffragist effort to pass the 19<sup>th</sup> Amendment. The monument will be established as a commemorative work in the District of Columbia and environs.

On June 19, 2019, the Senate Committee on Energy and Natural Resources Subcommittee on National Parks held a hearing on S. 1705. The National Park Service testified on behalf of the Department of the Interior on the bill. The testimony ask that the committee defer action on the bill until the organization that would be authorized to establish the memorial attains 501(c)(3) status under the Internal Revenue Code.

On May 22, 2019, the House Natural Resources Committee's Subcommittee on National Parks, Forests, and Public Lands held a hearing on H.R. 473. On September 18, 2019, the House Natural Resources Committee reported H.R. 473 favorably with amendments. The amendments removed the "Findings" section from the bill.

**NOTE: ON SEPTEMBER 18, 2019 THE HOUSE NATURAL RESOURCES COMMITTEE STRUCK THE FINDINGS SECTION FROM H.R. 473. THE SENATE VERSION, S. 1705, STILL INCLUDES THE FINDINGS SECTION.**

Section 1.(2) section uses "should" to strongly indicate the intent of Congress regarding the design elements and location of the monument. However, Findings are not deemed to be binding.
