

Elements Common to All Action Alternatives

The following elements would be common to all of the action alternatives (Alternatives B - E and the Preferred Alternative):

- Dog walking would be allowed only in areas designated for either on-leash or **regulated off-leash (ROLA*)** dog walking.
- All dogs must be licensed in county of residence.
- Maximum number of dogs per dog walker is three, unless permits are allowed.
- No off-trail dog walking; no dogs in campgrounds or public buildings; on-leash in parking lots, picnic areas and on paved, public roads unless otherwise noted.
- Service animals accompanying a person with a disability, as defined by Federal law and Department of Justice regulations (*Title 28 Code of Federal Regulations 36.104*), are allowed wherever visitors or employees are allowed.
- Compliance-based management strategy.

* The concept of a ROLA, a defined area where off-leash dog walking is allowed under specific guidelines, came from discussions in the Negotiated Rulemaking Committee for Dog Management at GGNRA.
