

Alternative Transportation Study Trails

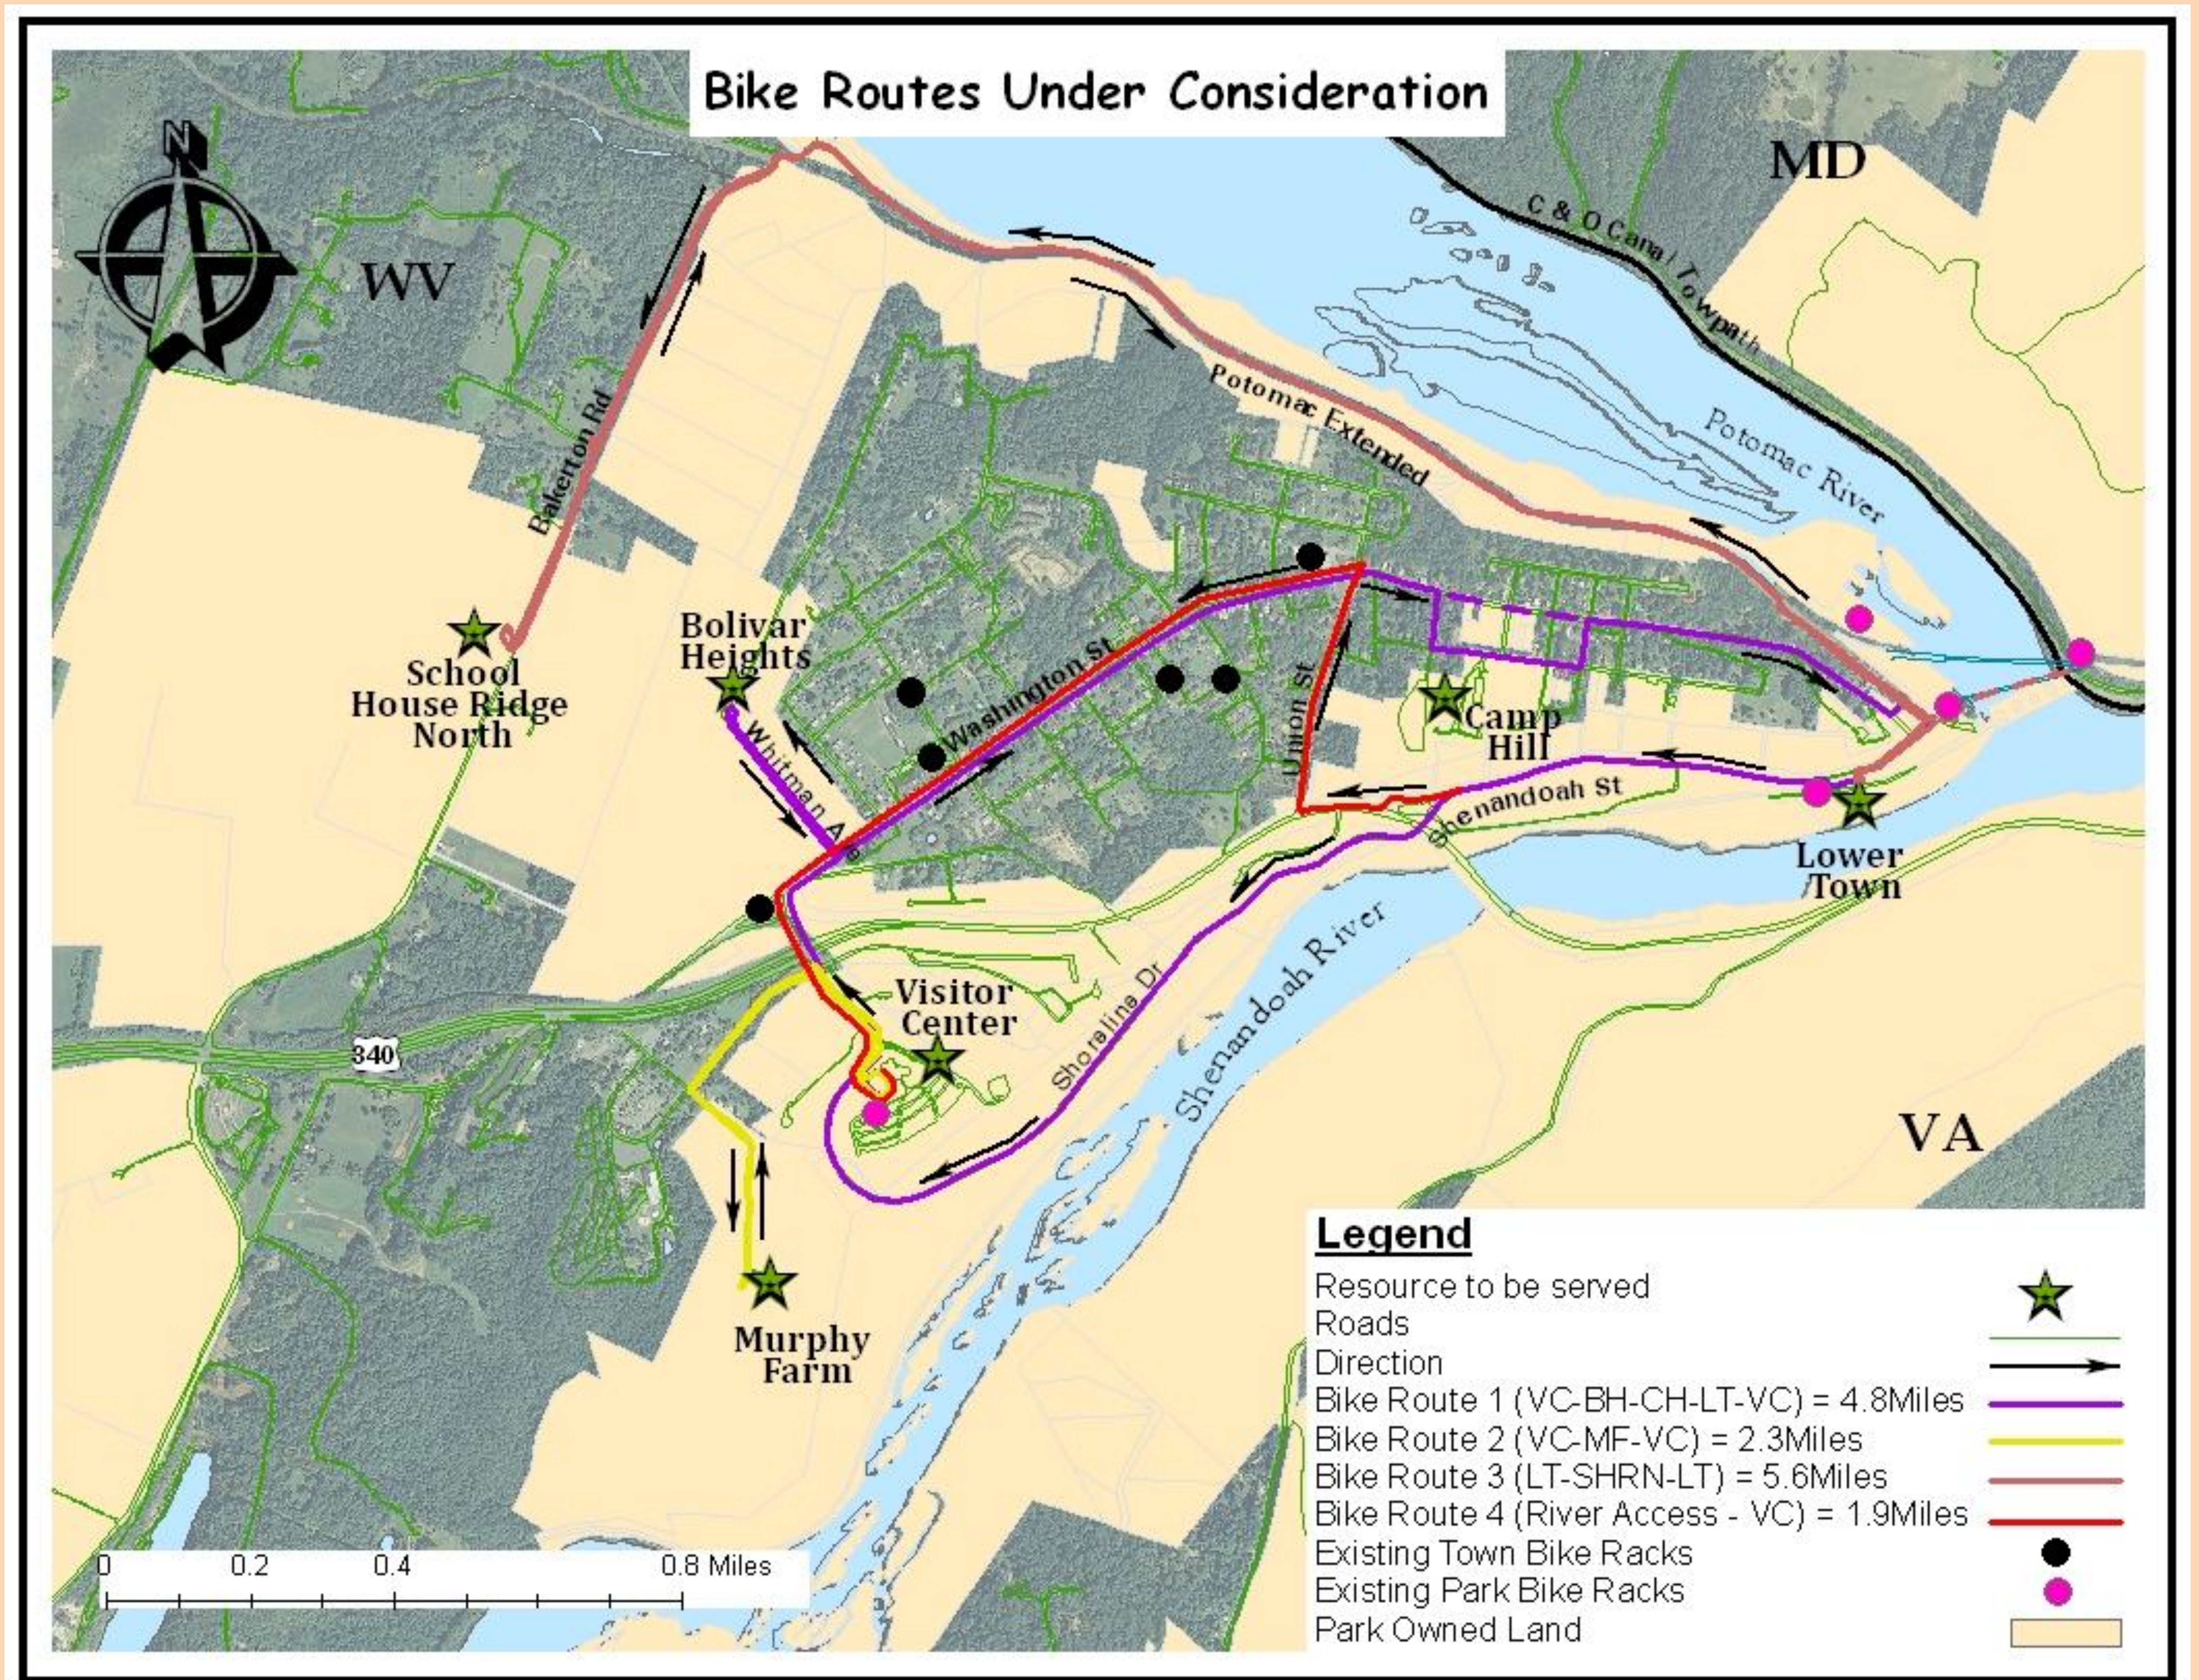

Facts

- NF Overlook – LT trail crosses CSX rail track or pass through a tunnel
- MF – SHRS trail passes through Cliffside & KOA lands
- Getting to all park resources on foot will be possible through the additional trails under consideration

Alternative Transportation Study

Bikes

Facts

- Route 1 includes
 - 2600ft of ~8% grade downhill on Washington St
 - 2600ft of ~8% grade uphill on Shoreline Dr
 - Recommended - 8% grade for up to 300 feet
- Route 3
 - Crosses the CSX rail track
 - Passes through a narrow underpass
 - Bakerton Rd is a 45Mph road without a bike lane
- Route 4
 - Includes a 600 ft ride on Hwy 340
 - Helps to avoid riding uphill (8% grade) on Shoreline Dr
