

Reservation 72 (Massachusetts Ave, 5th-6th, and I Streets, NW)

Res. 72- Social trail to be re-graded and re-seeded in center grass panel (view looking north).

Res. 72- Section of fence on east edge of reservation (left of photo) to be removed and replaced along new pathway alignment. Center pathway to be straightened and nose of both grass panels to be reduced and edged with new quarter-round curb and end posts (see historic quarter-round curb detail). Brick DC sidewalks to remain. Reservation pathways to be replaced with new concrete/asphalt walkways.

Res. 72- Fence along west edge (left of photo) to be maintained with one section removed on north side (in view) to expand the pedestrian area on corner of the reservation. Grass area in front of fence will be expanded and edged with quarter-round curb and end posts at entrances.

Benches will be rehabilitated and reinstalled. Pavement will be replaced with concrete/asphalt walkways to match existing (see above). “Tulip” style trash receptacle will be replaced with Victor Stanley style receptacle. Tree (right) to be maintained.

Close-up of existing concrete/asphalt walkway with 6 in. expansion joints. Walkways to be replaced in kind.
