

Categorical Exclusion Form

Project: Alley Spring Visitor Benches

PEPC Project Number: 38625

Project Description:

In response to visitor requests, five benches would be placed in the Alley Spring Historic Area. The benches would historic in appearance, 4 foot in length. The seating is made out of recycled plastic materials, brown in color. Bench framing is black cast aluminum. Three benches would be placed along the sidewalk between the Alley Spring Visitor Parking Lot and the sidewalk junction to the school. Two benches would be placed along the Alley Spring Branch near the trail bridge and out of photographic view of the historic Alley Mill. Installation would incorporate the same method used to install the Big Spring Amphitheater benches.
