

Multimodal Transportation Plan

Bryce Canyon National Park
invites you to join us for a

PUBLIC AND PARTNERS Open House

Tuesday, April 16, 2013

5 p.m. to 7 p.m.

Bryce Canyon National Park Visitor Center
Highway 63 Bryce Canyon, UT 84764
Conference Room D

Join the National Park Service for an open house to hear an update on the Multimodal Transportation Plan Alternatives for Bryce Canyon National Park. The park has been preparing the alternatives for inclusion in an environmental assessment and your input is needed on the draft alternatives before continuing the environmental assessment process.

Public comment period initiates April 16 and continues for 30 days, closing on May 15, 2013.

Multimodal Transportation Plan

National Park Service
U.S. Department of the Interior

Bryce Canyon National Park

Dear Friend of Bryce Canyon National Park:

The National Park Service is preparing an environmental assessment (EA) for a Multimodal Transportation Plan. This project will enable the park to plan for current and future transportation solutions in an integrated context.

As you may know, the park has been preparing transportation plan alternatives for inclusion in an EA. We would like to get your input on the draft alternatives before continuing the EA process.

The transportation plan will explore a range of potential solutions, from shaping visitor demand in new ways to changes in park operation. The desired outcomes of the transportation plan and draft alternatives include:

- Reducing traffic congestion and parking shortages
- Increasing safety
- Eliminating or minimizing resource conflicts
- Improving the visitor experience
- Improving connectivity for all modes of transportation, including public transportation, private vehicles, tour buses, pedestrians and bicycles
- Improving park operational efficiency

The public is invited to attend an open house to identify issues and provide information to the Park that should be considered in the development of the transportation plan. The open house will be held on **Tuesday, April 16, 2013 from 5 to 7 p.m. at Bryce Canyon National Park Visitor Center Conference Room D**, on the top floor of the building (Highway 63, Bryce Canyon, UT 84764).

An open comment period will begin on **April 16th, 2013**. Those wishing to provide comments should submit them in writing as soon as possible, but no later than **May 15th, 2013** to: <http://parkplanning.nps.gov/brca>, to brca_information@nps.gov, or to Bryce Canyon National Park, P.O. Box 640201, Bryce, UT 84764. Respondents should include their name, address and email to be added to the mailing list for more information about this project. Remember that unless requested otherwise, a list of all those that comment during public review periods, including their addresses, is available upon request.

Thank you in advance and we look forward to seeing you at the Public and Partners Open House!
