

CRISSY REFRESH GOALS

These goals outline all that the NPS, Conservancy, and Trust hope to accomplish within this planning effort.

1. Create a flexible and adaptable framework to endure for generations.
2. Enhance the quality of user experience.
3. Celebrate Crissy Field's historical character.
4. Preserve and enhance Crissy Field's natural resources.
5. Attract underserved communities.
6. Balance maintenance investments with quality returns and increase the durability of Crissy Field facilities and grounds.
7. Integrate Crissy Field with surrounding resources.
8. Improve circulation and access for all modes.
