Walnut Canyon Study Area Special Study

Newsletter, Issue 1, March 2010

Your comments and views are important. Comments will become part of the project record and a summary posted to this Web site (<http://www.walnutcanyonstudy.org>). We will consider all comments received by **May 26, 2010**. Comments received after this date will be considered in the next comment phase. Comments may be submitted electronically at <http://www.walnutcanyonstudy.org> on the comment entry page, or at the public meetings or mailed to: HDR / e²M; ATTN: Walnut Canyon Study Area Special Study; 9563 South Kingston Court, Suite 200; Englewood, CO 80112.

Why is the Study Area important to you and what makes it special?

What recreational/visitor opportunities/uses do you think should be addressed by the Special Study and maintained in future options?

What resources do you think should be addressed by the Special Study?

What other management issues do you think should be addressed by the Special Study?

Date: _____

Is this new information to be added to the mailing list?
