Richard - per your request we have reformatted the report and are submitting an electronic copy for your early review. A hard copy is being sent via USPS. We eagerly await SHPO's response.

Thanks, and have a great weekend!

Hi Staffan,

Sorry it took me so long to get back to you. Would you have time to discuss this report tomorrow? I still have concerns with the formatting and our Guidelines. In particular, I'm concerned with the discussion of the indirect effect in relation to the outline contained in Stipulation X of our Guidelines.

I'm available all tomorrow morning if that would work for you.

Thanks,
