

City of Fredericksburg Virginia Central Railroad Trail Extension

Photos

The current southern terminus of the trail in John Lee Pratt Park. The proposed extension will continue into the woods on onto NPS lands before crossing River Road onto the river bottom land.

Looking across River Road onto the river bottom land. The proposed trail extension would run parallel with the road in the low ground.

Looking north along River Road. The proposed trail extension would
Run parallel with the road in the low ground, at the base of slope.
