This webinar will be recorded and available for download from this same website as well as from the NPS Planning, Environment, and Public Comment (PEPC) website. The National Park Service uses this web-based system called PEPC, to allow people access to current plans and related documents that are open for review and comment. Please submit comments by August 25, 2014. Electronic comments must be entered into the PEPC website by 11:59 p.m. Mountain Time on August 25, 2014.
