## Categorical Exclusion Approval **Draft**

---

### Project Information:

|                                 |  |
|---------------------------------|--|
| Park Name:                      | Golden Gate National Recreation Area                     |
| Project Title:                  | Replace and Extend Stormwater Outfall IJKL, Crissy Field |
| PEPC Number:                    | 46130  |
| Project Location:               | Crissy Field, City and County of San Francisco           |
| Administrative Record Location: | Fort Mason, Bldg. 101; San Francisco, CA 94123           |

**Introduction:** This memorandum and attachments document and complete National Environmental Policy Act (NEPA) review and requirements for implementing Replace and Extend Stormwater Outfall IJKL, Crissy Field - Golden Gate National Recreation Area.

**Compliance Determination:** The full administrative record for this project is available in the GGNRA Environmental Compliance Office (San Francisco, CA 94123).

**Project Description:** See Attachment A

**Categorical Exclusion:** On the basis of the potential visitor safety, visitor experience and natural and cultural resource impacts assessed in Attachment A, park interdisciplinary review, public review comments, and the information in the administrative record, this project is Categorically Excluded (CE) from further NEPA analysis in accordance with DO-12, Sections 3.4: C.15: *Installation of Underground utilities in previously disturbed areas having stable soils, or in an existing utility right-of-way.*

Additional supporting information for this determination is in the following attachments and administrative record:

Attachment A: Project Description and Environmental Screening Form, Coastal Process Impact Assessment, Regulatory Permitting, Public Involvement and Response to Comments

Attachment B: Proposed Design

Attachment C: WPCP

Attachment D: NHPA

**Decision:** On the basis of my review of the environmental impact analysis and all information in the administrative record, I am categorically excluding the Project from further NEPA analysis. No exceptional circumstances or conditions in Section 3-5 of Director's Order 12 apply.

*To be signed after public notification period*

Frank Dean, General Superintendent
