To mail back, fold here so the mailing address is visible, tape it below (no staples, please), and drop it in the mail. No postage is necessary.

Please help us envision the future for John Day Fossil Beds National Monument. You may use this form to express your views or you may log onto to the park website at <http://parkplanning.nps.gov> to submit your comments. If you use this form and need more space, feel free to attach additional pages. Your responses via mail or the website would be most helpful if we receive them by **March 31, 2006**.

Do you want to remain on the mailing list? We will keep your name on the list unless you check the first box below and include your mailing label or name and address. Also, if the mailing label is incorrect, please correct and attach it.

Name: _____

Address: _____

City/State/Zip: _____

Email Address: _____

- ☐ Remove my name from the mailing list. (Attach mailing label)
- ☐ I am not on the mailing list. Please add me to the list. My name and address are shown below.
- ☐ The name or address you have is incorrect. Please change it as indicated. (Attach corrected mailing label or include name and address above.)
- ☐ Withhold my name and/or physical address from the public record to the extent allowable by law.

Thank you for your interest in John Day Fossil Beds National Monument.

Comment Form

John Day Fossil Beds National Monument
Oregon

National Park Service
U.S. Department of the Interior

Please provide us with feedback on the preliminary alternatives for the *John Day Fossil Beds National Monument General Management Plan*. If you need more space, feel free to attach additional pages to this form. If you prefer, you may comment via e-mail at <http://parkplanning.nps.gov/>. Your responses will be most helpful if you go beyond telling us you liked or disliked an alternative — tell us why you liked or disliked an alternative. Please be aware that due to public disclosure requirements, the National Park Service, if requested, is required to make the names and addresses of commentors public. However, individual respondents may request that we withhold their name and address from the public record, which we will honor to the extent allowable by law. If you wish to withhold your name and/or address, you must check the box on the back of this response form or state this prominently at the beginning of your comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety. Please mail your response as soon as possible but no later than **March 31, 2006**. Thank you.

Do you think the range of alternatives for managing John Day Fossil Beds National Monument is appropriate? If not, what is missing or inappropriate?

Which alternative do you prefer for managing the monument **and why**? If you don't like any of the alternatives, please describe your preferred alternative. (Your comments will help the study team develop a preferred alternative.)

What else would you like the planning team to know when it writes the *Draft General Management Plan*?
