

# Table of Contents

<b>Preface</b>	<b>iii</b>
<b>Executive Summary</b>	<b>v</b>
<b>Chapter One: Plan Purpose &amp; Foundation for Planning</b>	<b>1</b>
Introduction	i
Purpose of and Need for the General Management Plan	3
Planning Issues	3
The Foundation for Planning & Management	9
Park Purpose & Significance	9
Interpretive Themes	10
Analysis of Fundamental Resources & Values	10
Special Mandates and Administrative Commitments	24
Related Programs, Plans, and Initiatives	26
Impact Topics	32
Impact Topics Dismissed from further Consideration	32
<b>Chapter Two: The Alternatives and Their Common Elements</b>	<b>37</b>
Overview	37
Developing New Directions: Decision Points	37
Management Philosophy	38
Management Goals	38
Responding to Climate Change	39
Management Areas (Management Zoning)	42
Management Alternative 1: Continuation Of Current Management Practices (No-Action Alternative)	54
Concept	54
Resource Management in General	54
Natural Resource Management	54
Cultural Resource Management	57
Shoreline Management	58
Seashore Experience	60
Land Use & Development	63
Transportation	63
Operations & Maintenance	64
Park Administration	65

Land Acquisition.....	66
Park Boundary .....	67
Legislative Requirements.....	67
Elements Common to all Action Alternatives .....	67
Resource Management In General .....	69
Natural Resources .....	69
Cultural Resources .....	72
Shoreline Management.....	72
Seashore Experience .....	73
Land Use & Development .....	74
Transportation.....	76
Operations And Maintenance.....	76
Park Administration.....	76
Legislative Requirements.....	78
Otis Pike Fire Island High Dunes Wilderness.....	78
Management Alternative 2: Enhancing Natural Resource Values.....	79
Concept.....	79
Natural Resource Management .....	80
Cultural Resource Management.....	80
Seashore Experience .....	81
Transportation.....	84
Operations & Maintenance.....	84
Park Administration.....	85
Legislative Requirements.....	85
Management Alternative 3: Recognizing The Relationship between Human Use and Nature (NPS Preferred Alternative).....	85
Concept.....	85
Natural Resources .....	86
Cultural Resources .....	86
Seashore Experience .....	87
Transportation.....	91
Operations & Maintenance.....	91
Park Administration.....	92
Legislative Requirements.....	92

<b>The William Floyd Estate</b>	<b>95</b>
Introduction	95
Elements Common to all Alternatives	96
Cultural Resource Management	99
Natural Resource Management	99
Visitor Experience & Interpretation	100
Circulation & Access	103
Operations & Maintenance	103
Partnerships	103
Administration	103
Management Alternative A—The Estate’s Current Management (No-Action Alternative)	103
Cultural Resource Management	103
Visitor Experience & Interpretation	104
Circulation & Access	104
Operations & Maintenance	104
Management Alternative B—Historical Park And Museum (NPS Preferred Alternative)	104
Cultural Resource Management	104
Visitor Experience & Interpretation	105
Access and Circulation	105
Operations & Maintenance	106
Administration	106
Park Boundary	106
Cost Estimates for the Alternatives	106
NPS Preferred Alternative	109
Environmentally Preferable Alternative	109
Consistency with Section 101 and 102 of NEPA	109
Ideas Considered but not Advanced for Further Analysis	III
<b>Chapter Three: Affected Environment</b>	<b>123</b>
Introduction	123
Climate Change	123
Natural Resources	125
Coastal Processes	125
Water Resources	127
Vegetation	131
Wildlife and Wildlife Habitat	145
Cultural Resources	150
Cultural Landscapes	150

Historic Structures.....	151
Archeological Resources.....	153
Museum Collections .....	153
Otis Pike Fire Island High Dune Wilderness.....	153
Access and Circulation .....	154
Access by Car .....	154
Access by Water.....	161
Public Transportation.....	162
Transportation on Fire Island.....	163
Emergency Access .....	163
Freight.....	163
Schools.....	163
Visitor Use .....	164
Visitation.....	164
Patterns of Use.....	165
Information and Orientation.....	166
Interpretation and Education.....	167
Recreational Activities (Visitor Use Regulations).....	169
Public Facilities and Services.....	169
Socioeconomic Environment .....	173
Nassau County.....	173
Suffolk County .....	174
Fire Island.....	176
Community Character .....	180
Fire Island National Seashore's Contribution to the Local Economy.....	182
Non-Federal Lands within Fire Island National Seashore .....	182
Seashore Operations.....	184
Concessions & Commercial Services .....	184
Administrative and Maintenance Facilities.....	184
Staff Housing.....	187
Operations .....	187

<b>Chapter Four: Environmental Consequences</b>	<b>189</b>
Introduction	189
Methodology for Assessing Impacts	189
General Analysis Methods	189
Natural Resources	192
Impacts on Coastal Processes And Floodplains	192
Impacts on Water Resources	206
Impacts on Vegetation	216
Impacts on Wildlife and Wildlife Habitat	225
Impacts on Special-Status Species	235
Cultural Resources	243
Impacts on Cultural Landscapes	243
Impacts on Historic Structures	250
Impacts on Archeological Resources	256
Impacts on Museum Collections	262
Impacts on Wilderness	268
Impacts on Transportation & Access	275
Impacts on Visitor Use & Experience	283
Impacts on Socioeconomic Environment	296
Impacts on Seashore Operations	305
Unavoidable Adverse Impacts	312
Irreversible or Irretrievable Commitments of Resources	312
<b>Chapter Five: Consultation &amp; Coordination</b>	<b>313</b>
Summary Of The Planning Process	313
Compliance With Federal and State Laws and Regulations, Policies, and Mandates	315
Section 106 Compliance Requirements for Undertakings	319
List of Draft General Management Plan Recipients (Agencies, Organizations & Institutions)	320
List of Preparers, Partners, Consultants, & Advisers	321
<b>Appendices</b>	<b>327</b>
Appendix A. Legislative History	327
Appendix B. Climate Change Synthesis Report (NYSERDA, 2011)	341
Appendix C. Federal Zoning Standards For Fire Island	401
Appendix D. Draft Wilderness Stewardship Plan	411
Appendix E. Resources Consulted	457
Acronyms and Abbreviations	473
Glossary	475
Index	479

# List of Maps, Charts & Tables

## Maps

1A. Vicinity.....	2
1B. Jurisdiction.....	5
2A. Management Areas – Parkwide .....	43
2B. Management Areas – William Floyd Estate .....	45
2C. William Floyd Estate – Existing Conditions .....	94
2D. William Floyd Estate – Historic Core .....	97
2E. William Floyd Estate – Circulation.....	101
3A. Vegetation (with insets) .....	133-137
3B. Submerged Aquatic Vegetation .....	139
3C. Transportation (with insets) .....	155-159
3D. Visitor Facilities – Existing Conditions .....	171
3E. Park Operations – Existing Conditions .....	185

## Charts

3-1. Visitation Trends for Fire Island National Seashore, 2002–2012 .....	165
3-2. Visitation Trends for the William Floyd Estate, 2002–2012 .....	165
3-3. Nassau County Employment Sectors.....	174
3-4. Suffolk County Employment Sectors.....	175

## Tables

2-1. Comparison of Cost Estimates for Alternatives.....	108
2-2. Summary of Impacts by Management Alternative .....	114
2-3. Summary of Planning Needs (Preferred Alternative).....	120
3-1. Vegetative Community Types at Fire Island National Seashore.....	141
3-2. Federal and State-listed Species at Fire Island National Seashore.....	142
3-3. Rare Ecological Community Types at Fire Island National Seashore .....	143
3-4. Invasive Plant Species at Fire Island National Seashore (2007).....	144
3-5. Rare Animal Species Known to Rely on Habitats at Fire Island National Seashore .....	148
3-6. Summary of Population Characteristics and Trends, Fire Island, New York.....	177
3-7. Summary of Housing, Fire Island, New York.....	178
3-8. Summary of Economy, Fire Island, New York.....	180
5-1. Summary of Actions Requiring Review under Section 106.....	319
