NPS has previously hosted public scoping/Section 106 consultation meetings on May 22, 2014, August 7, 2014, June 3, 2015, and July 13, 2015. These events provided an opportunity for interested members of the public, agencies, and organizations to learn about the project, ask questions, provide comments, and identify concerns they feel should be addressed during the review process.
