### **Buxton Public Meeting Cancelled**

The National Park Service announces the cancellation of the public meeting previously scheduled for October 1, 2015 at the Fessenden Center in Buxton, North Carolina for the purpose of the public review of the Environmental Assessment (EA) for the purpose of beach nourishment activities in the Buxton area of Cape Hatteras National Seashore. The meeting will be rescheduled as soon as possible after the anticipated approach of severe weather passes the region.

The United States Army Corps of Engineers and the National Park Service are working cooperatively to review the proposed project under the National Environmental Policy Act and will use the EA to assist the agencies in determining whether, where and under what conditions the NPS and USACE would issue permits to Dare County.

The USACE Public Notice and all attached plans are available on the Wilmington District Web Site at
