

## Comment Form

During this initial "scoping" phase of the General Management Plan (GMP), we would like to know what you want to us to consider as we begin planning and setting priorities for the long-term future of Lava Beds National Monument. Below are some questions to help you with your thoughts. You may also provide comments to us through the monument's GMP planning website at <http://parkplanning.nps.gov/labe>.

Please try to return this form within two weeks of when you receive it. The initial comment period will extend through **September 2, 2006**. We hope that you will remain involved with planning for the future of Lava Beds National Monument.
