Golden Gate National Recreation Area Comment Form

Negotiated Rulemaking Committee Meeting

Date 06 Mar 2006

My comment takes the form of a question:
 It is my understanding that when San Francisco gave
 land to the NPS that it was done with the written
 understanding that "existing uses be allowed to continue".
 My question is: Did the NPS simply decide to
 accept this land on the pretense that it would
 simply ignore this requirement? It seems less than
 honest to NOT honor this commitment.

(on the part of NPS)
