

Location of Ferncliffe

**Site Plan: Proposed Rehabilitation/Renovation of House at Ferncliffe
(Rear, Second-Story Windows)**

House at Ferncliffe, front (southeast) façade. Proposed rehabilitation work would affect 2nd-story windows of rear (northwest) façade.

House at Ferncliffe, rear (northwest) facade, location for proposed 2nd-story rehabilitation/renovation work, involving three gable roof windows at center. Note two 2nd-story, shed-roof windows at left (and far left), and at right, picture windows, fire-escape-door and stair, and other, later alterations.

House at Ferncliffe, rear (northwest) facade. Yellow lines mark proposed replacement of individual gable-roofs for three 2nd-story windows with shed-roof-configuration connecting with and matching color, shingles, pitch and other attributes of existing shed-roofs.
