Memorandum

To: Ruth Middlecamp, Project Manager, Yosemite National Park

From: Superintendent, Yosemite National Park

Subject: NEPA and NHPA Clearance: 2016-008 Camp Wawona – Commercial Use Authorization (64085)

The Executive Leadership Team has reviewed the proposed project/action and completed its environmental assessment documentation, and we have determined the following:

- There will not be any effect on threatened, endangered, or rare species and/or their critical habitat.
- There will be no adverse effect on historical, cultural, or archeological resources.
- There will not be serious or long-term undesirable environmental or visual effects.

The subject proposed project, therefore, is now cleared for all NEPA and NHPA compliance requirements as presented above. Project plans and specifications are approved and construction and/or project implementation can commence.

For the proposed project actions to be within compliance requirements during construction and/or project implementation, the following mitigations must be adhered to:

- A No Adverse Effect Determination is dependent on all stock staying on the park trails.
- Implement Permit Special Conditions 28D and 29A.

Recommendations for Conditions or Stipulations: None

For complete compliance information see PEPC Project 64085.

Categorical Exclusion Form

Project: 2016-008 Camp Wawona – Commercial Use Authorization

PEPC Project Number: 64085

Project Description:

The Central California Conference of Seventh-day Adventists, doing business as Camp Wawona, is located on private property, along Forest Drive, in the township of Wawona, within the Wawona District of Yosemite National Park. The camp has been in operation since 1929, offering a variety of recreational activities. One activity that is conducted by the Camp is horseback riding which includes the use of National Park Service trails in the Wawona area. Rides consist of eight to twelve horses being ridden during a day ride. They do not conduct any overnight stock trips inside of the park. A Commercial Use Authorization will be issued as a five year programmatic to Camp Wawona in order to manage their use of park trails. Grazing and/or camping with stock is not allowed under the authorization. Camp Wawona will be limited to a maximum of 240 stock use days per year (1 horse = 1 stock day).

Primary trails used will be the Meadow Loop beginning at Camp Wawona, crossing Hwy 41 and riding along the trail around the Big Trees Golf Course. Two shorter rides start at the camp and follow along a shorter loop trail south of the camp. One end-of-year ride will occur in wilderness as the horses are ridden from the camp to the Mariposa Grove Outer Loop Trail and out of the park to Goat Meadow. A map with the trail ride locations is attached.

Project Locations:

Mariposa County, CA

Mitigation(s):

- A No Adverse Effect Determination is dependent on all stock staying on the park trails.
- Implement Permit Special Conditions 28D and 29A.

CE Citation: A.6 Commercial use licenses involving no construction

Decision: I find that the action fits within the categorical exclusion above. Therefore, I am categorically excluding the described project from further NEPA analysis. No extraordinary circumstances apply.
