## Image Preference Dialogue

The image sets are intended to encourage creativity, spark imagination, and help us define the future vision for the park. Please rate each image on a scale of **1 (least preference)** to **5 (strong preference)** as to whether they are appropriate for development of the park, and if they represent your future vision of the park. For each image, please note why you do or do not like the image and/or any particular elements within that image.
