

PWC Use Area for the Preferred Alternative

This map illustrates the proposed PWC Use Area for the Preferred Alternative within the Grand Island National Recreation Area. The area is divided into several color-coded zones: a yellow zone along the shoreline, a green zone covering the Beaver Basin and Miners Falls areas, and a light green zone in the Grand Marais area. The map includes numerous labeled locations, trails, and landmarks. Key features include:

- Shoreline and Beaches:** Twelvemile Beach, Chapel Beach, Mosquito Beach, Miners Beach, and Bay Fumace.
- Lakes and Water Bodies:** Lake Superior, South Bay, Grand Island Lake, Beaver Lake, Little Beaver Lake, Kingston Lake, and various smaller lakes like Miners Lake, Sand Point Lake, and Cusino Lake.
- Trails and Paths:** White Birch Trail, White Pine Trail, Lakeshore-North Country Trail, and various local trails like the Miners Falls Trail and Fox River Pathway.
- Landmarks and Facilities:** Miners Castle Information Center, Sand Point National Lakeshore Headquarters, Munising Falls Interpretive Center, and the Interagency Visitor Center.
- Geographical Features:** Grand Island National Recreation Area, Hiawatha National Forest, and Lake Superior State Forest.

The map also shows major roads (e.g., 58, 77, 94) and various points of interest like Au Sable Light Station and Grand Marais Ranger Station. The PWC Use Area is clearly delineated by colored boundaries and dashed lines.
