

# Comment Form

During this initial "scoping" phase of the General Management Plan (GMP), we would like to know what you want to us to consider as we begin planning and setting priorities for the long-term future of Pinnacles National Monument. Below are some questions to help you. You may fill out this comment form and mail it back to us or you may fill it out electronically through Pinnacles's planning web site at **http://www.nps.gov/pinn** or you may send us a separate letter with your comments. The comment period will extend through **May 31, 2007**. We hope that you will remain involved with planning for the future of Pinnacles National Monument.

- What do you value most about Pinnacles National Monument?
- If you have visited Pinnacles National Monument, what did you enjoy **most** about your visit?
- If you have visited Pinnacles National Monument, what did you enjoy **least** about your visit?
- What are the most important ideas or concerns that you would like the General Management Plan to address?
- What do you want Pinnacles NM to be like in the future? Imagine yourself visiting the park 20 years from now.
- Do the Park Purpose and Significance statements capture what is most important about Pinnacles National Monument?

You may use the space at the back of this form or a separate sheet of paper to share other thoughts or ideas $\Rightarrow$
