

What do you value about frontcountry areas in Wrangell-St. Elias?

We want to understand what you value about frontcountry areas in Wrangell-St. Elias. The topic areas below describe some of what we’ve heard from the public so far – *what do you have to add?*

Opportunities and Experiences

- Opportunities for visitor education
- Infrastructure
- Supporting local economies
- Kennecott
- Connections to neighboring communities
- The gateways to the Wrangell-St. Elias region

Access

- Hiking trails
- Motorized trails
- Campsites
- Waysides
- Important for access to subsistence and traditional uses
- Connections to the road system
- Access to inholdings

Cabins

- Historical legacy of cabins used for traditional and subsistence purposes
- Facilitate recreation and subsistence uses in the park
- Support of cabin maintenance to keep cabins functional and clean
- Collaborative maintenance opportunities with partnership organizations or private individuals
- Opportunities for visitor education

Subsistence and traditional uses

- Integral to the park’s character and history
- Protected by law
- Opportunities about visitor education that show this park is still an inhabited landscape
- Access is important to preserving these uses
