

# **Seaside Cabin Lodging**

Did you know you can stay on the pristine, remote beaches of Cape Lookout National Seashore without tent camping? Imagine gentle breezes, miles of unspoiled beaches, and dark night skies perfect for star gazing without having to sleep in the sand. With the rustic cabins available for rent at Great Island and Long Point this is possible. The undeveloped beaches of Cape Lookout National Seashore are a perfect place to slow down, unwind, and get in touch with nature.

# What is a "rustic" cabin?

Each cabin is equipped with basic amenities such as bunk beds, potable hot and cold running water, indoor plumbing, separate bathroom with shower, and gas cooking stoves. Visitors supply their own linens, pots and pans, plates and utensils, and coolers. There are no refrigerators.

These cabins are available at non-peak summer rates from June 1 through August 31. Standard rates apply during spring and fall months.

### **Great Island Cabins**

Cabins at Great Island on South Core Banks are located directly across Core Sound from the community of Davis. These rustic cabins are operated by the National Park Service and are reachable by one of two concession operated ferry services: Davis Shore Ferry Service or Cape Lookout Cabins and Camps Ferry Service.

There are twenty-five (25) individual cabins that sleep from four (4) to twelve (12) persons in bunk-bed style. Each cabin has a water heater, table, chairs, and a kitchen with cabinets, propane oven/stove combination and a private bath. Some cabins have screened porches. All cabins are wired for generator use. **However, if guests want power, they must supply their own generator.** Most visitors use flashlights or lanterns for illumination. Cabins range from 288 to 960 sq. ft. Ice and gasoline are available for purchase at the cabin office on the island. **Credit cards are preferred.** 

Summer Non-Peak Rates: Prices range from \$54 per night for a four person cabin to \$126 per night for a 12 person cabin. For Great Island Cabin Reservations go to: <a href="http://www.recreation.gov">http://www.recreation.gov</a> or call 1-877-444-6777 and for ferry reservations contact Cape Lookout Cabins & Camps Ferry Service at (252) 729-9751 or Davis Shore Ferry Service at (252) 729-3474.

# **Long Point Cabins**

Cabins at Long Point on North Core Banks are located across Core Sound from the community of Atlantic. These rustic cabins are operated by the National Park Service and are reachable by the following concession operated ferry: Morris Marina Ferry Service.

Long Point Duplex Cabin (2 units per building)

Long Point Octagon Cabins (2 units per building)

There are twenty (20) duplex units each with a sleeping capacity of six (6). Each unit has electricity, a water heater, individual propane heating system, light fixtures, a combination sleeping/eating area with ceiling fans, table, chairs, and kitchen with cabinets, oven/stove combination, and a private bath. Units three through eight have air conditioning units. Each unit is approximately 500 sq. ft. Ice and gasoline are available for purchase at the cabin office on the island. **Credit cards are preferred.** 

Summer Non-peak Rates: Octagon structures rent for \$108/night with A/C and \$84/per night without A/C. Duplex cabins rent for \$92 per night. For Long Point Cabin Reservations go to: <a href="http://www.recreation.gov">http://www.recreation.gov</a> or call 1-877-444-6777 and for ferry reservations contact Morris Marina at (252) 225-4261.
