Public Meeting #2 Shepherd Parkway (Reservation #421) Concept Plan

Thank you for coming to review the draft concepts for the future of Shepherd Parkway. We look forward to hearing your feedback.

6:00-6:30pm

Open House/Discussion at Boards

6:30-7:30pm

Presentation/Question & Answer

7:30-8:00pm

Open House/Discussion at Boards

### Plan Goals

The key goals of the Development Concept Plan for Shepherd Parkway are to:

- Enrich existing and explore new uses and programming opportunities
- Improve the health of Shepherd Parkway, ecologically and for the surrounding community
- Address safety and maintenance concerns

Parkland looking west

Shepherd Parkway near 2nd Street looking west towards the Potomac River

Shepherd Parkway near 2nd Street looking north

Fort Greble

Public Meeting #2 - November 7, 2019
Shepherd Parkway (Reservation #421) Concept Plan

## Project Timeline

### Public Comment Period #1 (June 26-July 26, 2019) Summary

- 25 attendees signed in at the public meeting; 23 pieces of correspondence were received during the public comment period
- Comments were received from neighbors and official representatives from several groups
- Commenters described:
  - Where they would like to see new connections to and within the open spaces of Shepherd Parkway
  - If they are comfortable walking in the wooded areas
  - How to prevent dumping and litter
  - What should be done with Fort Carroll and Fort Greble
  - What they would like to see at the overall park in the future, including:
    - Existing trails improved and maintained in accordance with NPS standards
    - New hiking trails
    - Connections between schools, recreation centers, and smaller park areas
    - Public programs
    - Removal and control of invasive species

- Signage to identify Shepherd Parkway and interpret the park's historical and natural significance
- Signage with contact information and statement that dumping on federal land is a federal crime
- Cameras to prevent dumping and litter

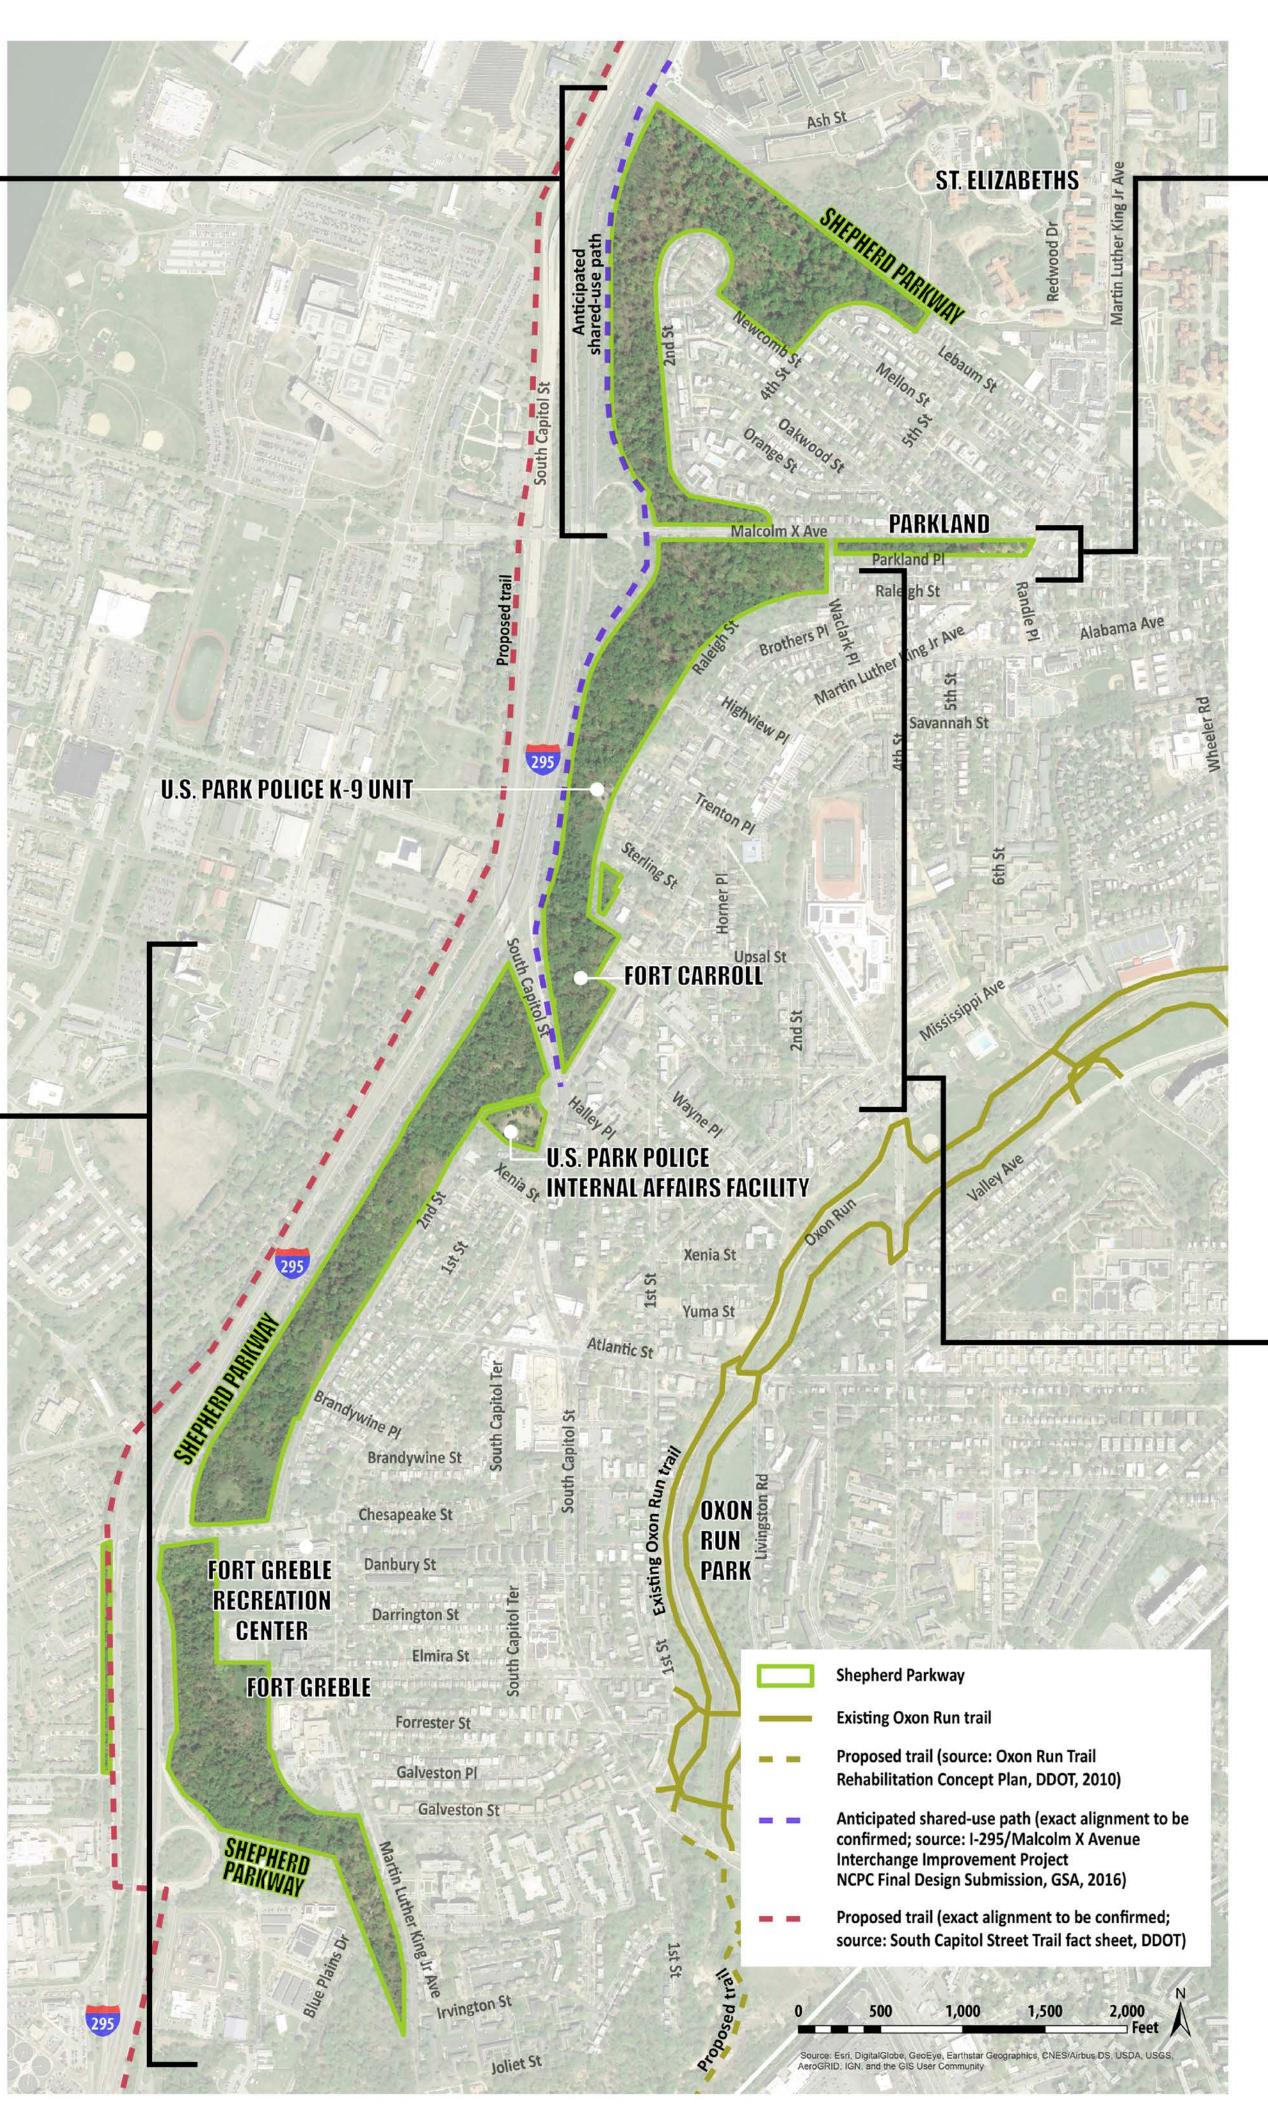

# Public Comment Period #1 (June 26-July 26, 2019) Summary What would you like to see in this area in the future?

#### Northern boundary to Malcolm X Ave.

- Trails within the wooded areas and along the edges (near the street)
- Views and vistas
- Interpretive nature or history walks with an NPS ranger
- Park beautification volunteer projects

#### South Capitol St. to southern boundary

- Federal government transfer of 3801 South Capitol St. (U.S. Park Police Internal Affairs Facility) to the Bellevue Neighborhood Community Land Trust to be co-developed with Unfoldment, Inc.'s adjacent lot to provide affordable senior housing, a daycare center, and an African American history museum
- Community garden
- Views and vistas
- More and better signs and uncovering of remaining stone/earth at Fort Greble

#### **Parkland**

- Positive activities (e.g., concerts, movie nights, history or wildlife programs)
- Park beautification volunteer projects
- Expanded playground
- Urban garden and market
- Congress Heights Crate Complex
- Paved area near Martin Luther King Jr.
   Ave with brick or stone
- Lights
- Cameras to prevent dumping and litter

#### Malcolm X Ave. to South Capitol St.

- Community garden
- Views and vistas
- Nature and wildlife viewing
- Partial restoration, interpretive signage, and a trail at Fort Carroll

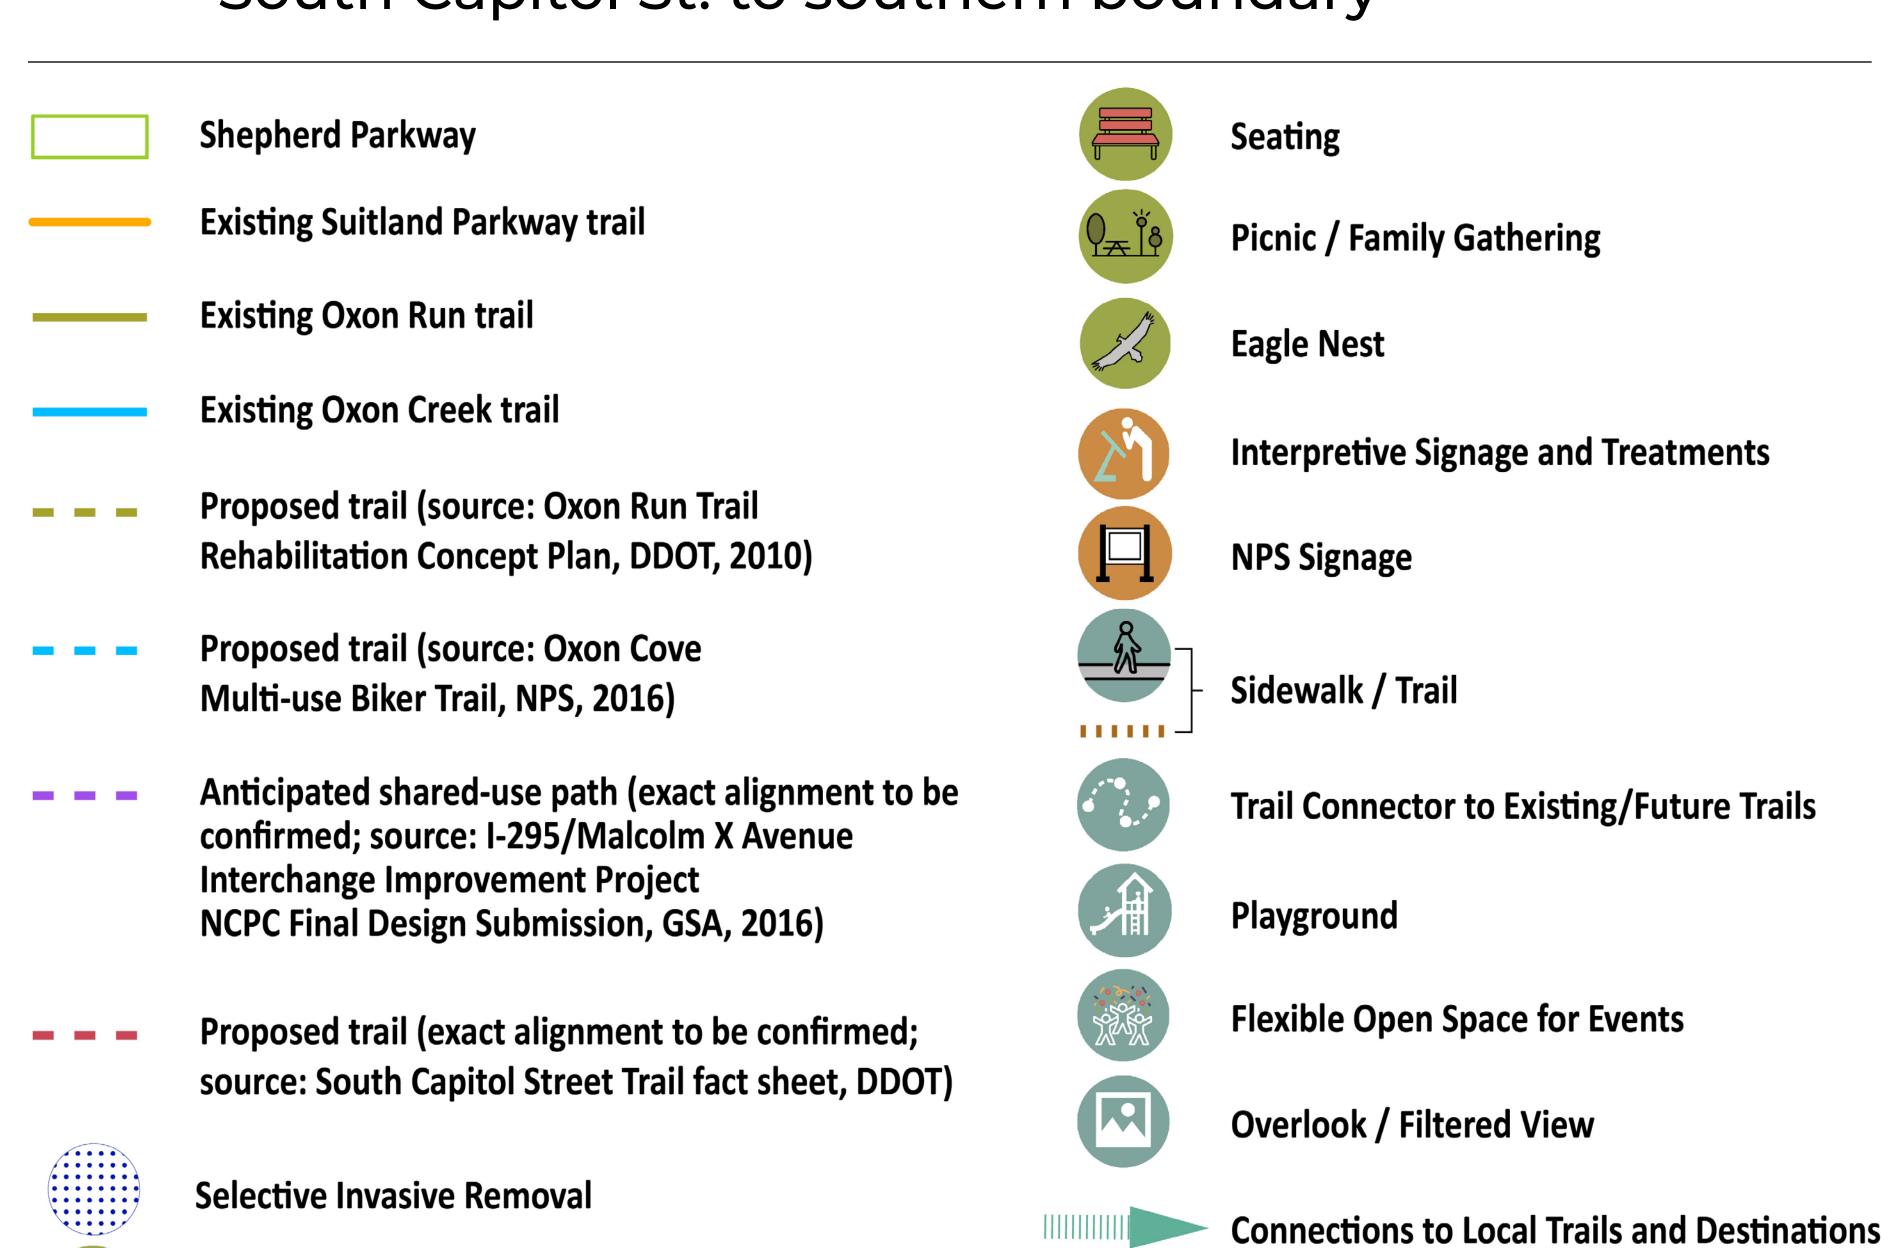

### Concepts Overview

- The Shepherd Parkway concept overall focused on:
  - Overall connectivity within the parkway
  - Connectivity with the local and regional trail network
  - Specific activity nodes along the parkway
- Two concept options are presented for:
  - Parkland

**Existing Vegetation Maintenance** 

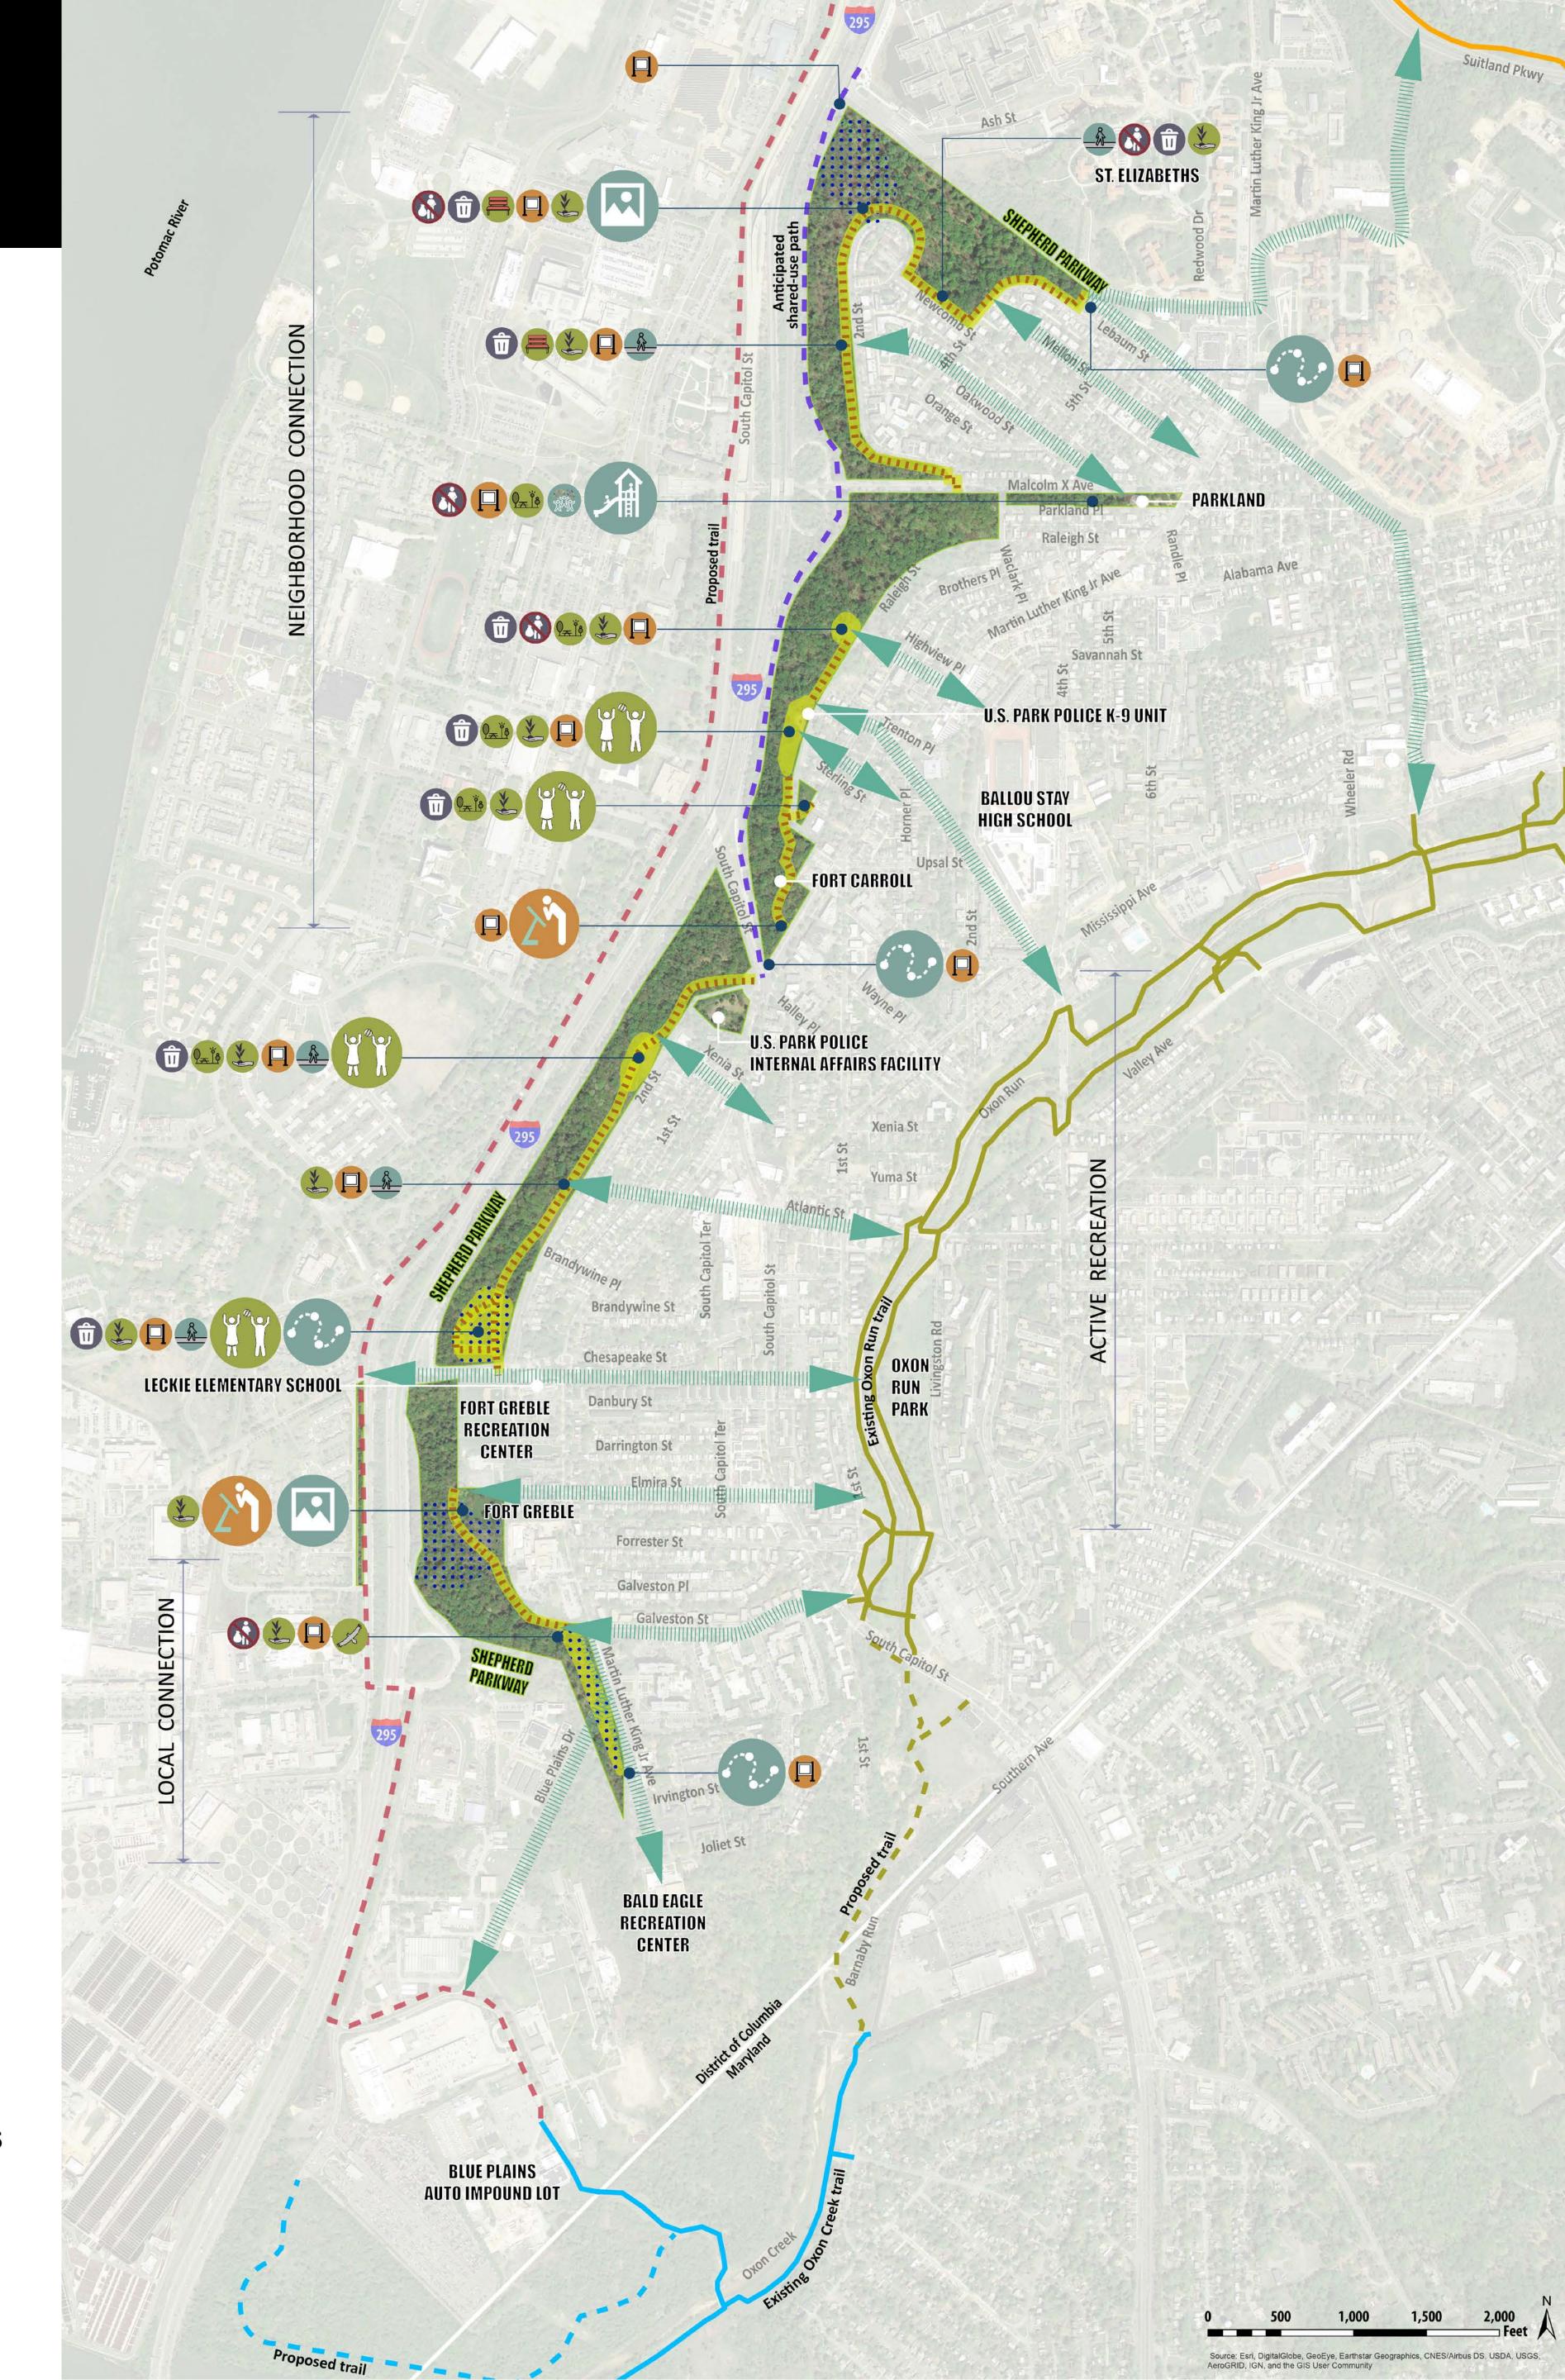

Flexible Open Green Space

- Malcolm X Ave. to South Capitol St.
- South Capitol St. to southern boundary

Trash Receptacle

No Dumping Sign / Camera

Seating

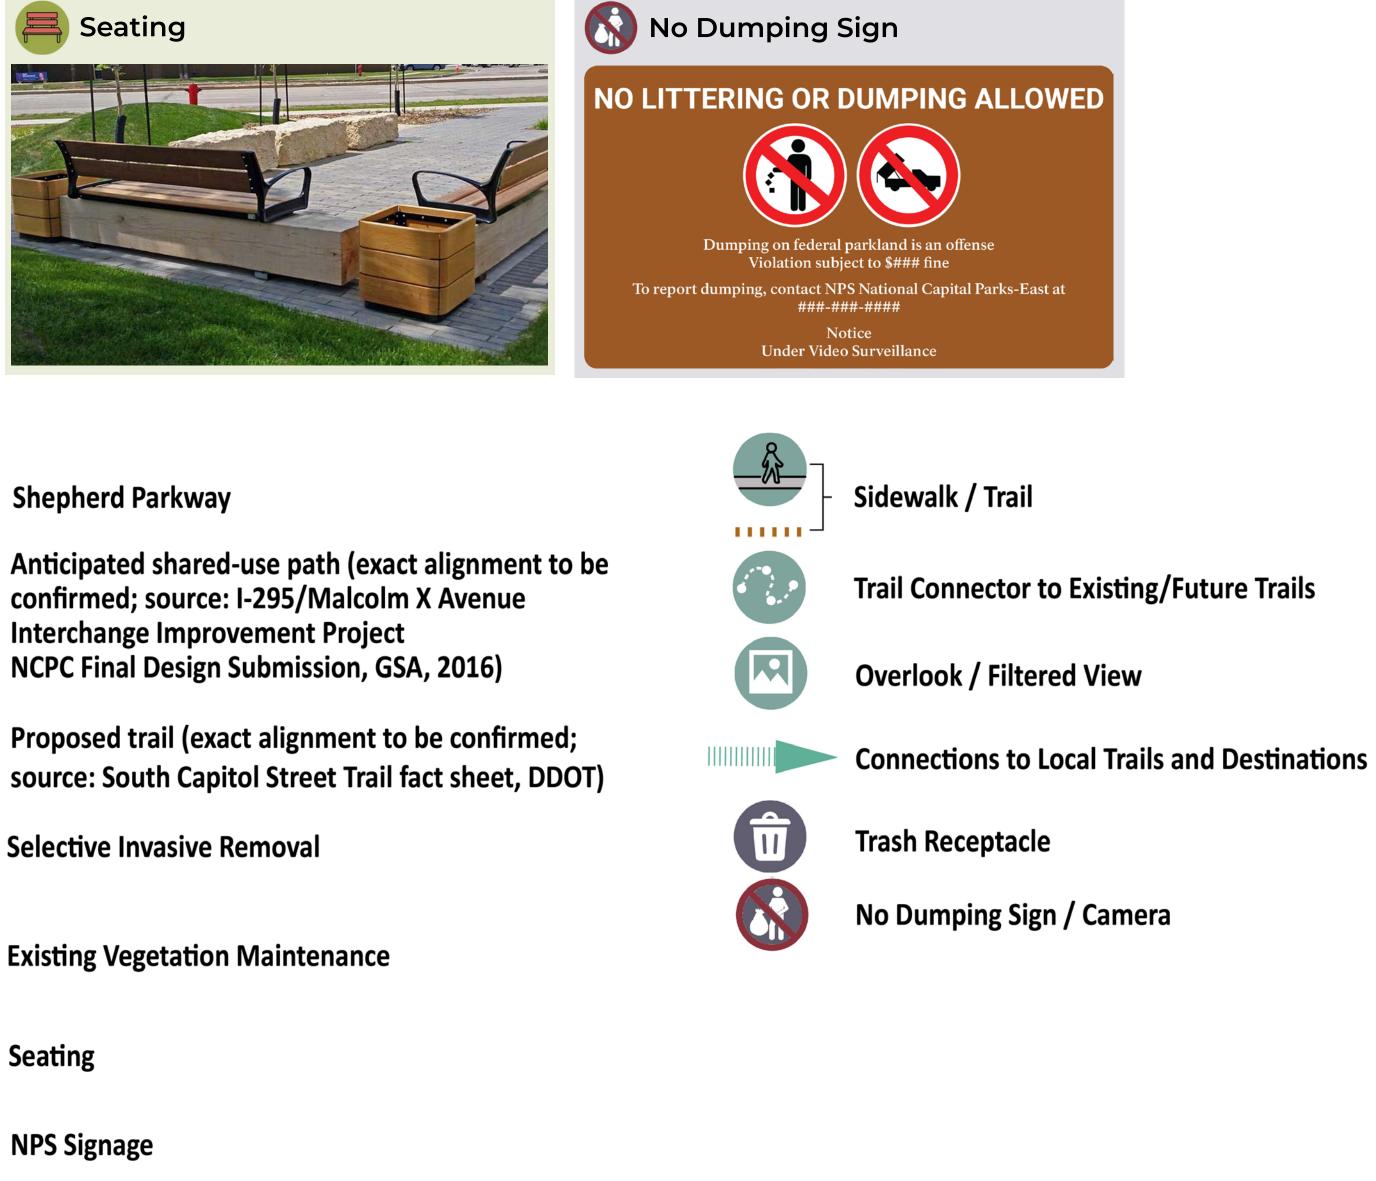

**NPS Signage** 

### Northern boundary to Malcolm X Ave.

- Sidewalk/trail along street and parkway edge
- Sidewalk/trail connections to the anticipated shared-use path along I-295 and the Malcolm X Ave. sidewalk
- 2nd St. overlook created through selective vegetation maintenance and invasive vegetation removal
- Seating, NPS signage, no dumping signs/cameras, and trash receptacles provided at key nodes

### Parkland Option 1: Flexible Recreation Areas

- Three zones:
  - Expanded children play area
  - Family-oriented outdoor space with pavilions and picnic tables
  - Entry plaza

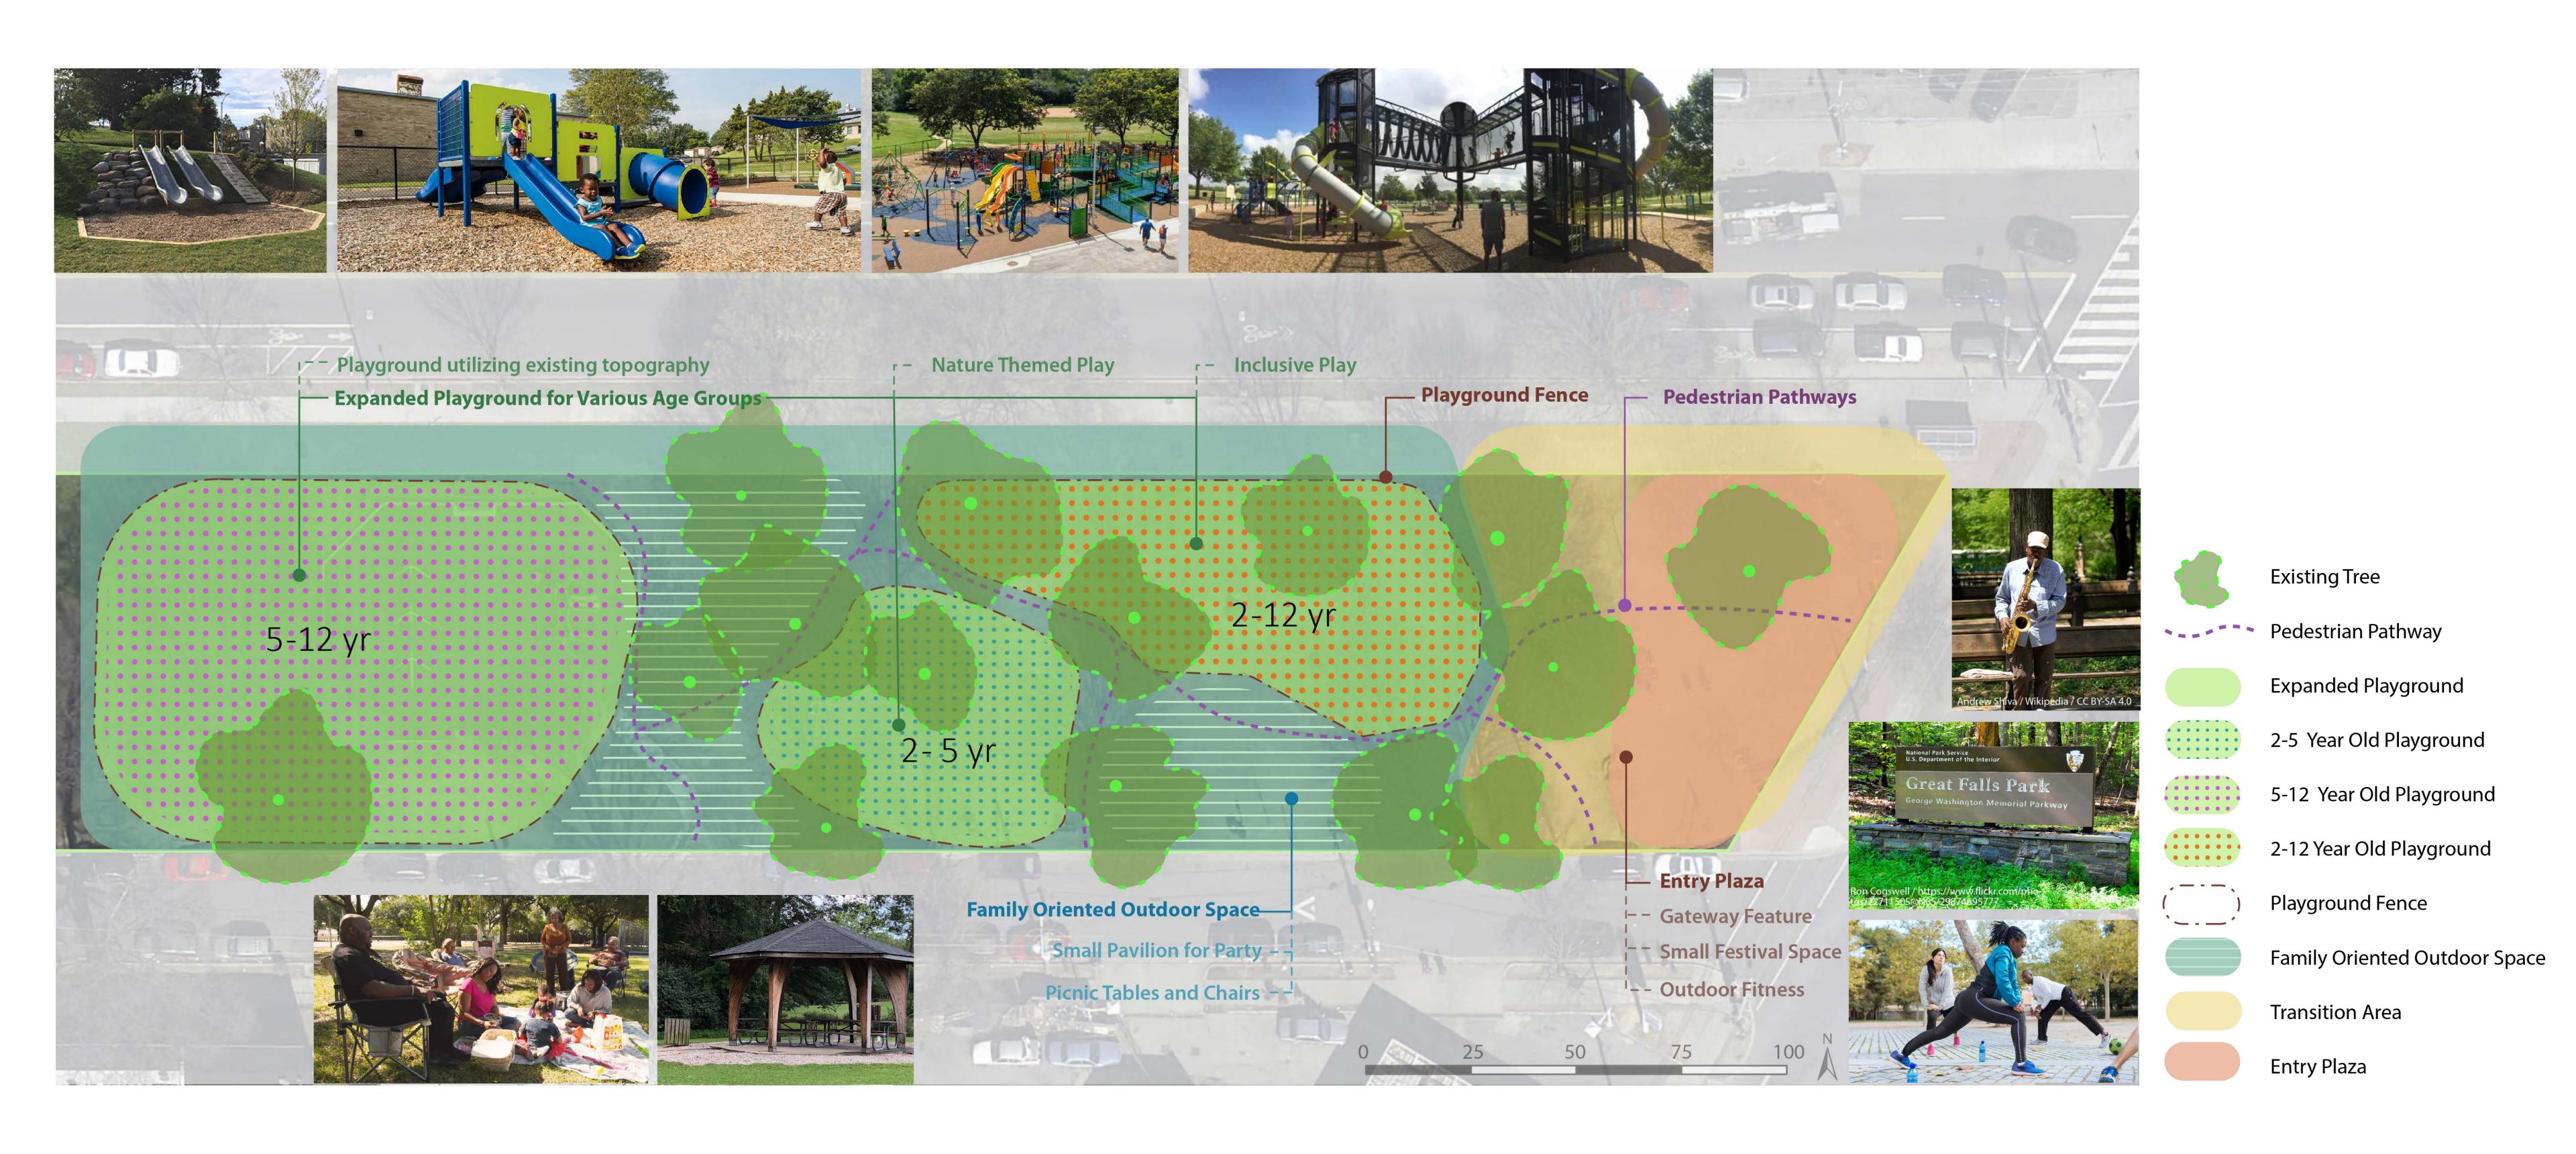

- Programming opportunities available at familyoriented outdoor space and entry plaza
- Zones connected through pedestrian pathways

### Parkland Option 2: Focused Recreation Areas

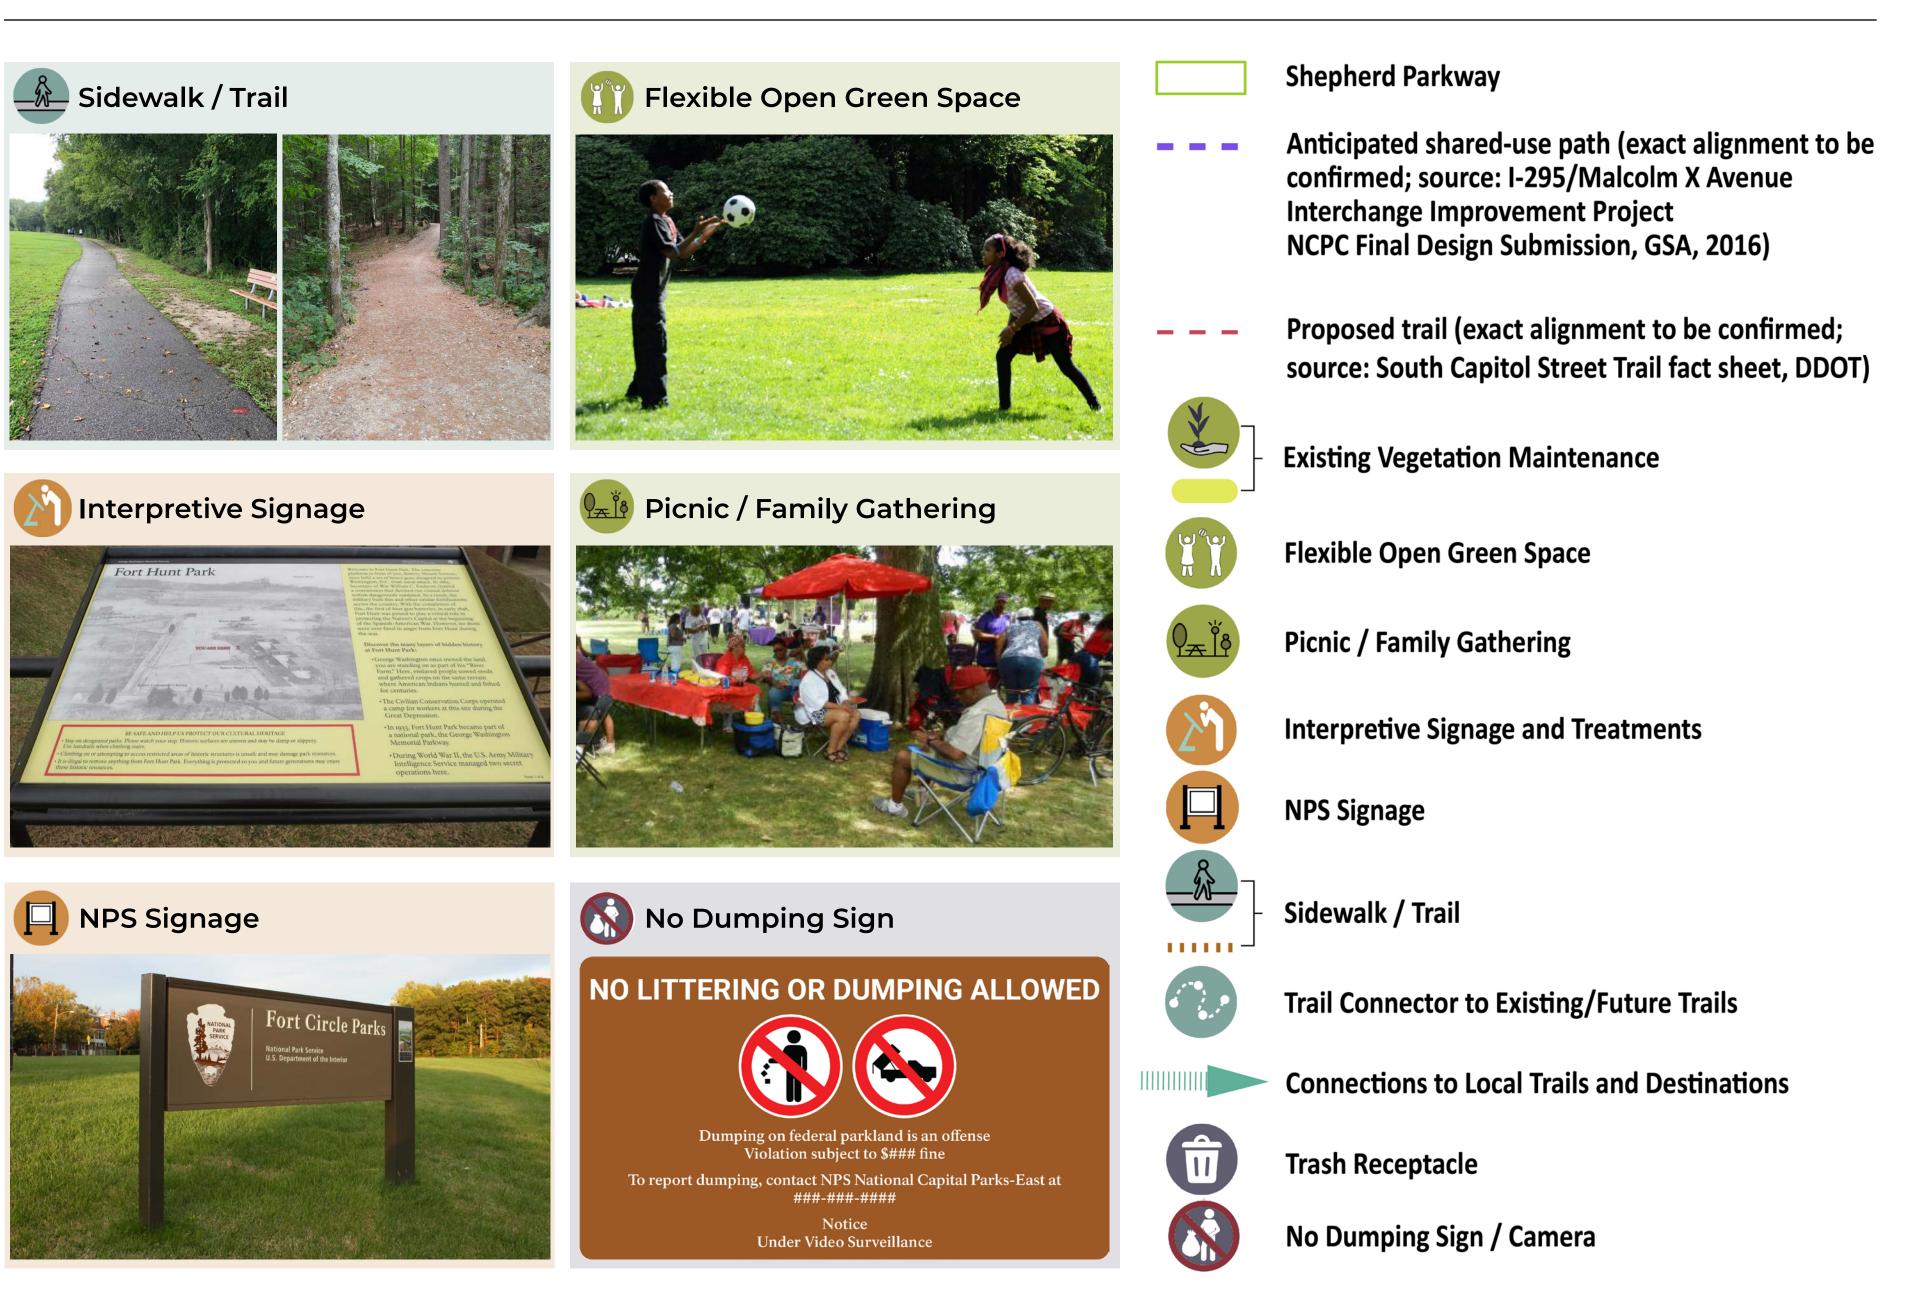

- Expanded children play areas for various age groups
- Family-oriented outdoor space with pavilions and picnic tables near play area
- Expanded entry plaza offering programming opportunities
- Play areas and entry plaza connected through pedestrian pathways

# Malcolm X Ave. to South Capitol St. Option 1: Natural Trail Experience

- Property along north section of Brothers Pl. retains existing views of wooded area
- Sidewalk/trail meanders through woods around Fort Carroll
- Sidewalk/trail connection between Raleigh St. and Martin Luther King, Jr. Ave.
- Flexible open green space, picnic/family gathering area, and selective vegetation maintenance along Raleigh St.
- Picnic/family gathering area and selective vegetation maintenance at Highview Pl.
- Interpretive signage and treatments at Fort Carroll
- Seating, NPS signage, no dumping signs/cameras, and trash receptacles provided at key nodes

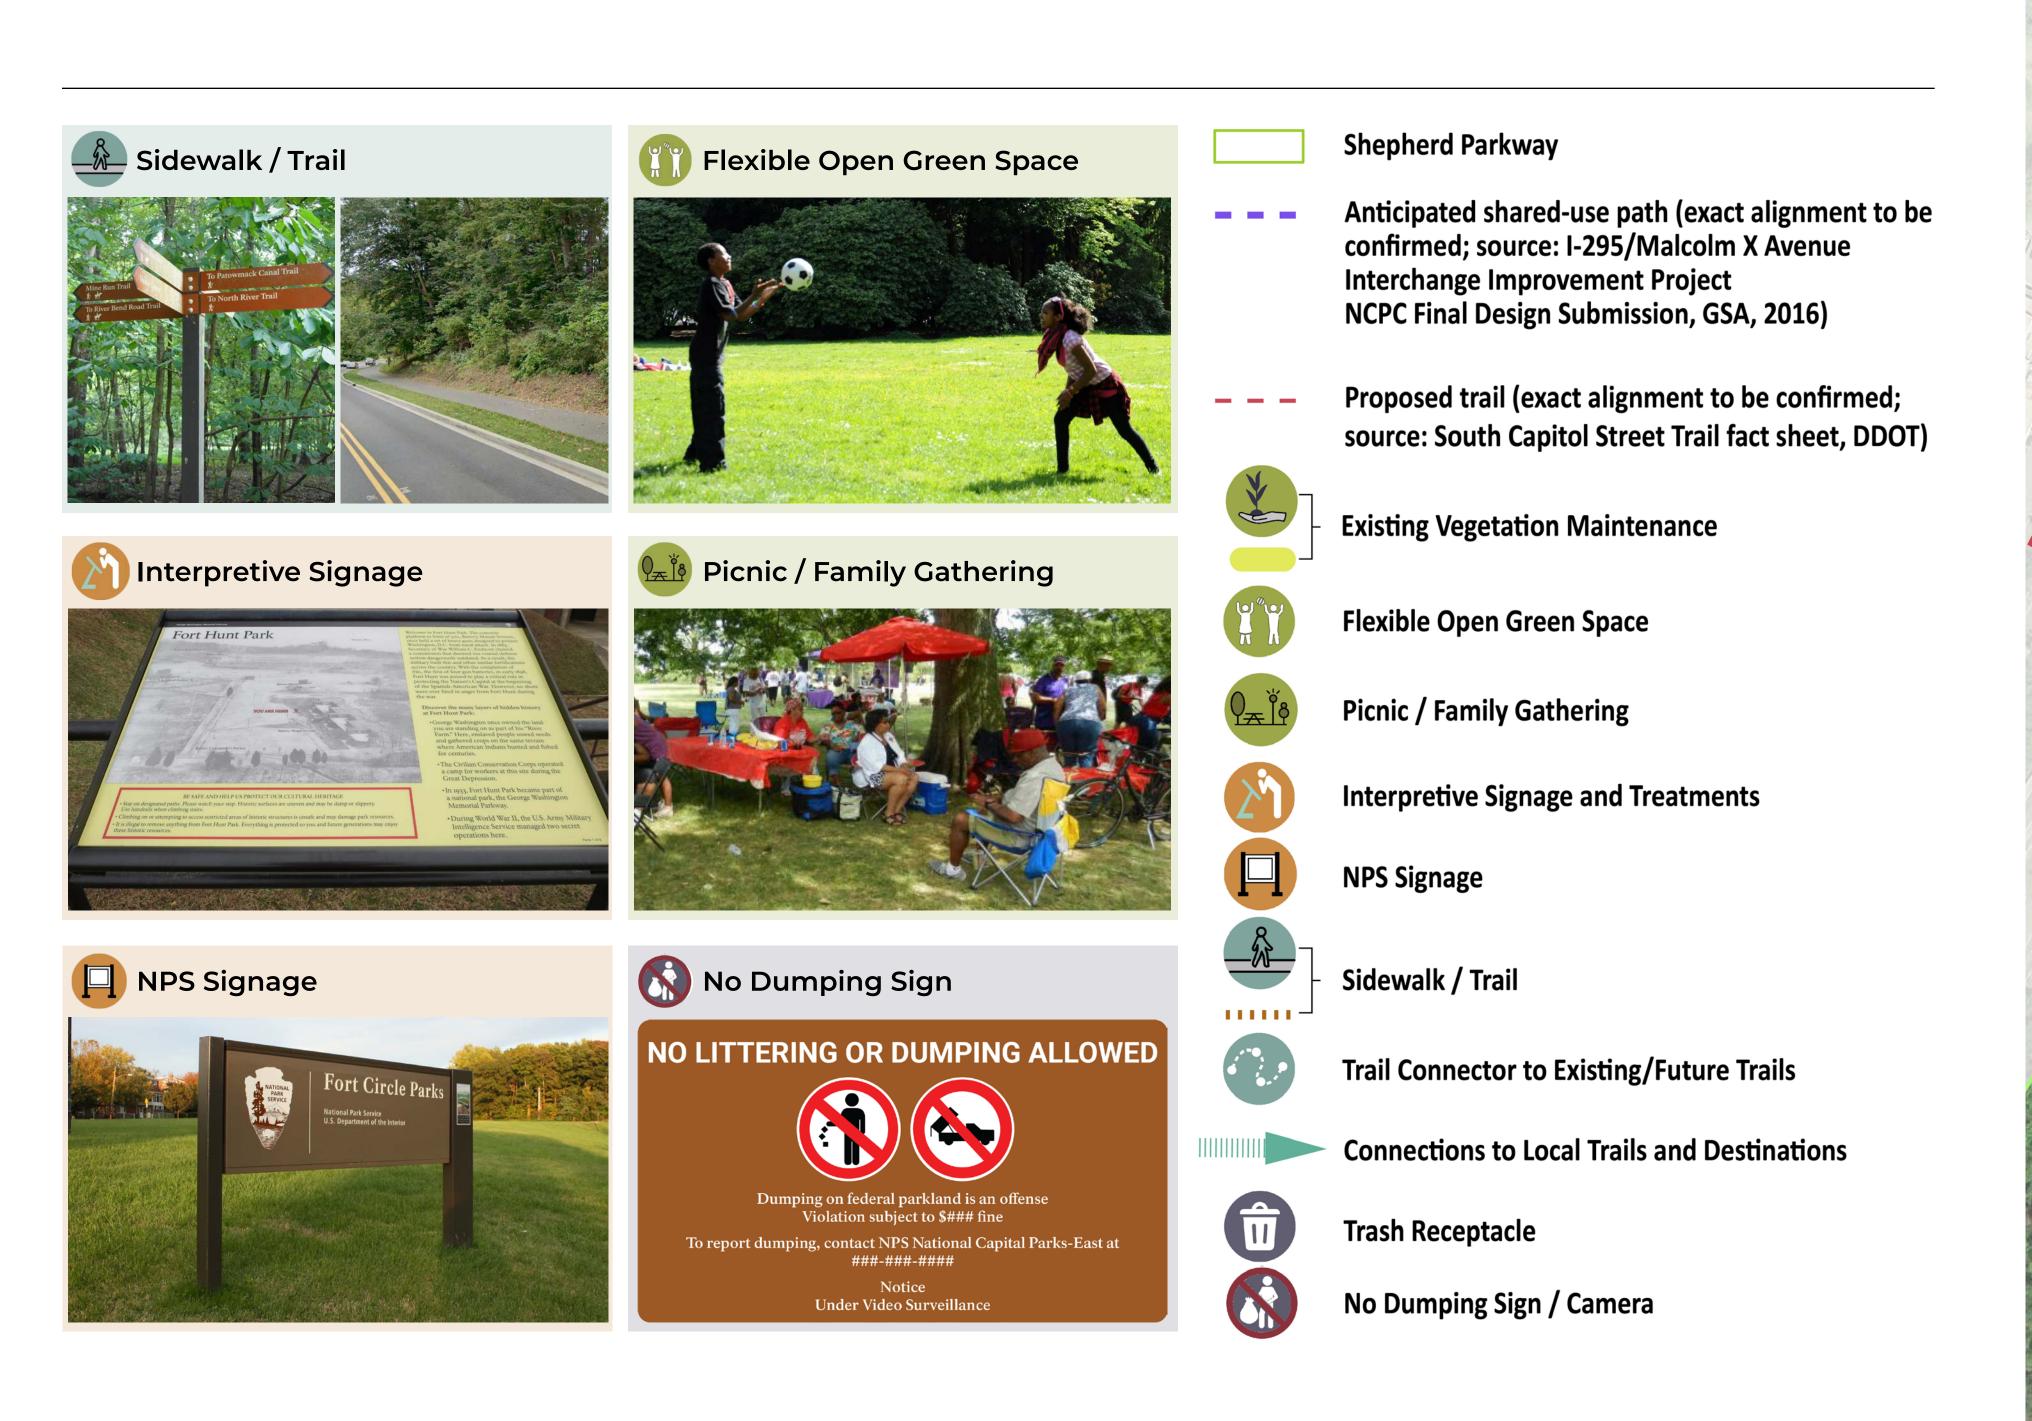

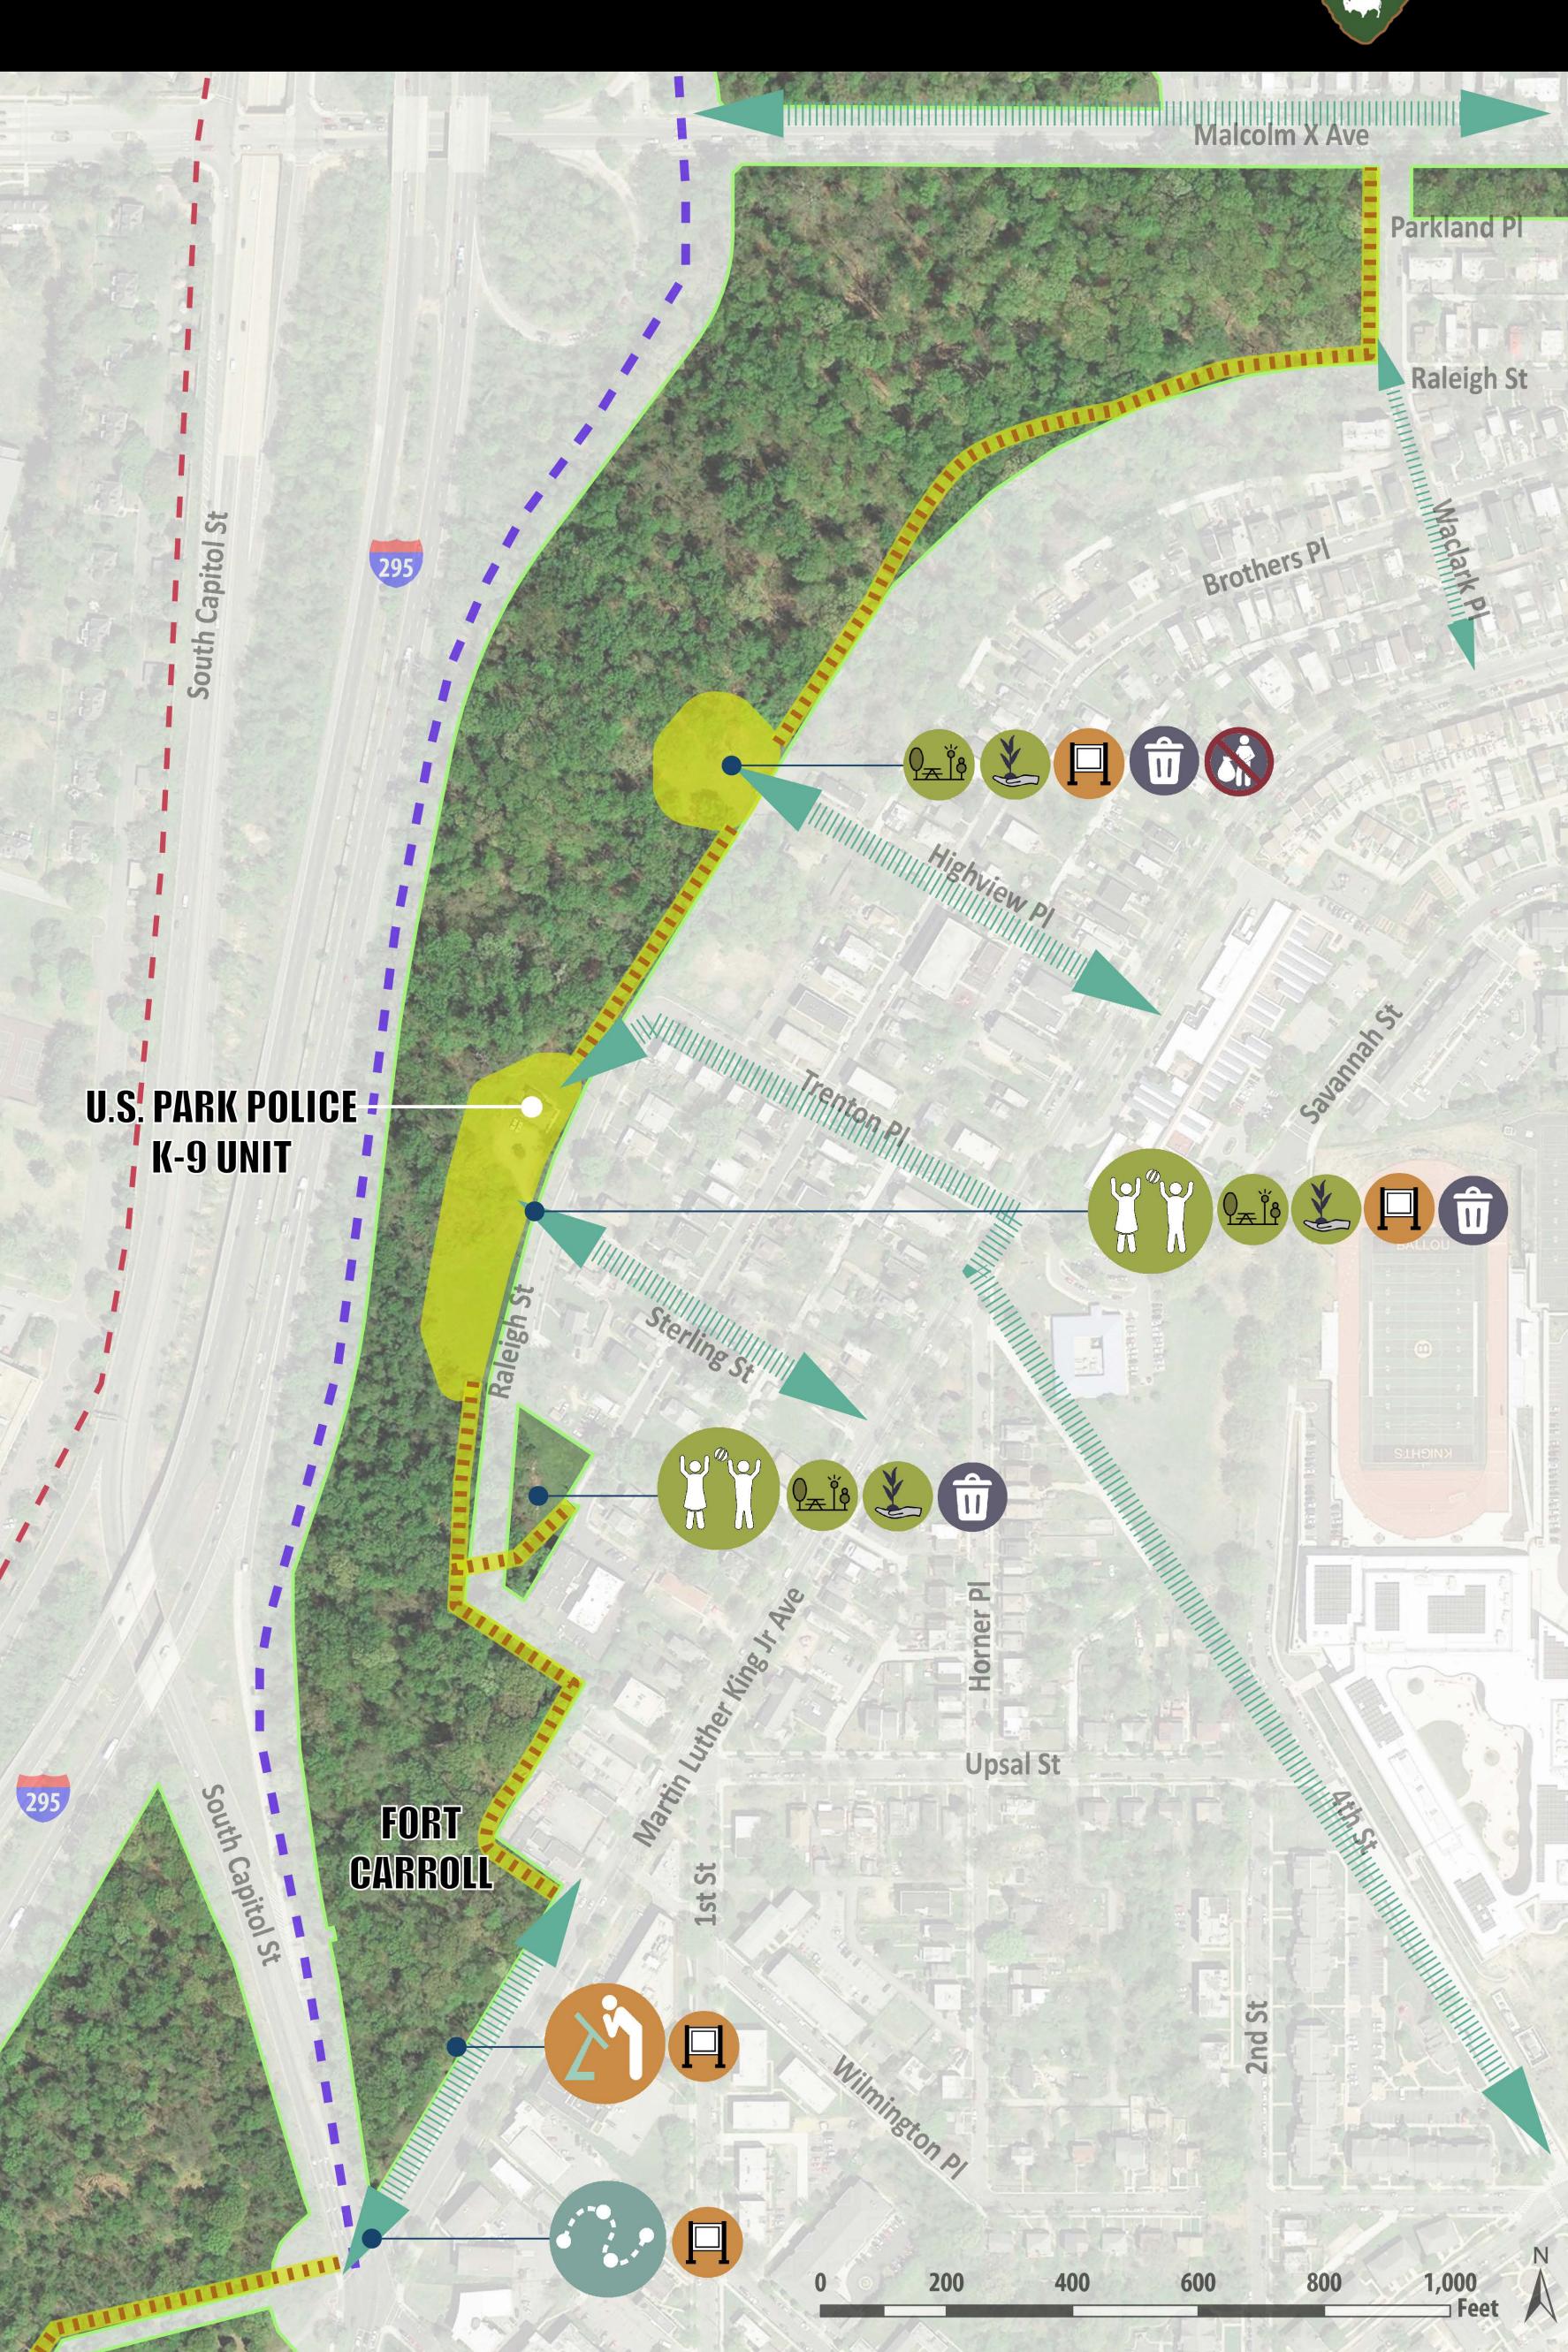

# Malcolm X Ave. to South Capitol St. Option 2: City Trail Experience

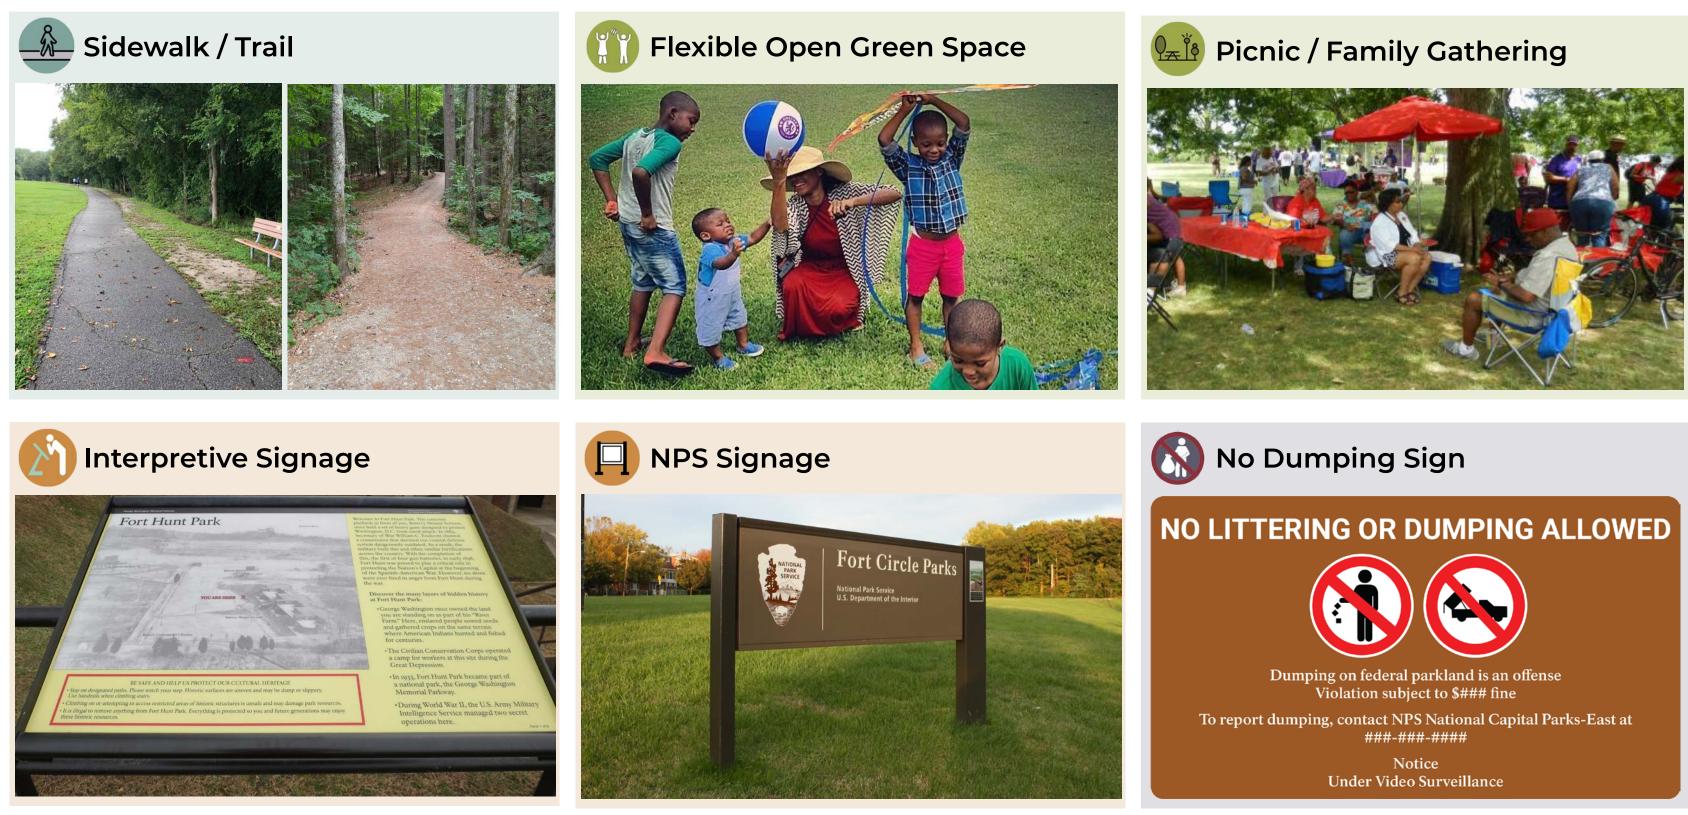

- Sidewalk/trail established along Raleigh St. right-of-way
- Sidewalk/trail along parkway edge
- Sidewalk/trail connection between Raleigh St. and Martin Luther King, Jr. Ave.
- Flexible open green space, picnic/family gathering area, and selective vegetation maintenance along Raleigh St.
- Picnic/family gathering area and selective vegetation maintenance at Highview Pl.
- Interpretive signage and treatments at Fort Carroll
- Seating, NPS signage, no dumping signs/cameras, and trash receptacles provided at key nodes

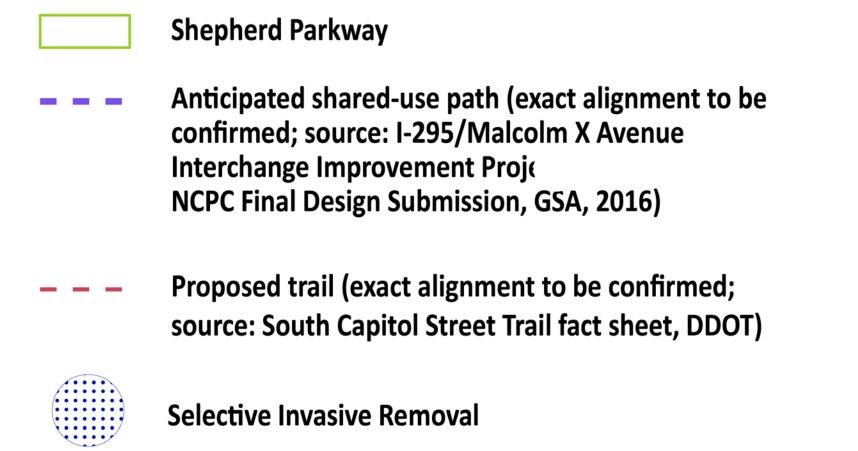

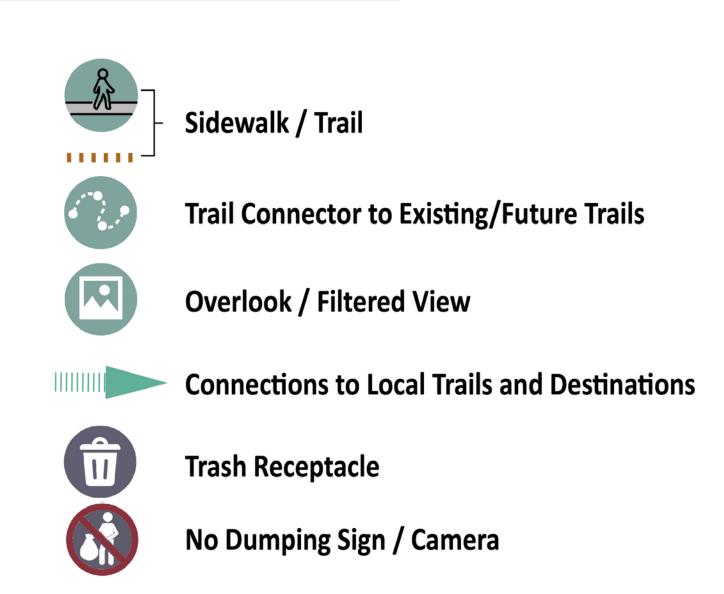

## South Capitol St. to southern boundary Option 1: Natural Trail Experience

- Sidewalk/trail meanders through woods near street edge and around Fort Greble
- Sidewalk/trail connections to multiple existing sidewalks
- Flexible open green space, picnic/family gathering area, and selective vegetation maintenance along 2nd St.
- Interpretive signage and treatments and selective invasive vegetation removal at Fort Greble
- Seating, NPS signage, no dumping signs/cameras, and trash receptacles provided at key nodes

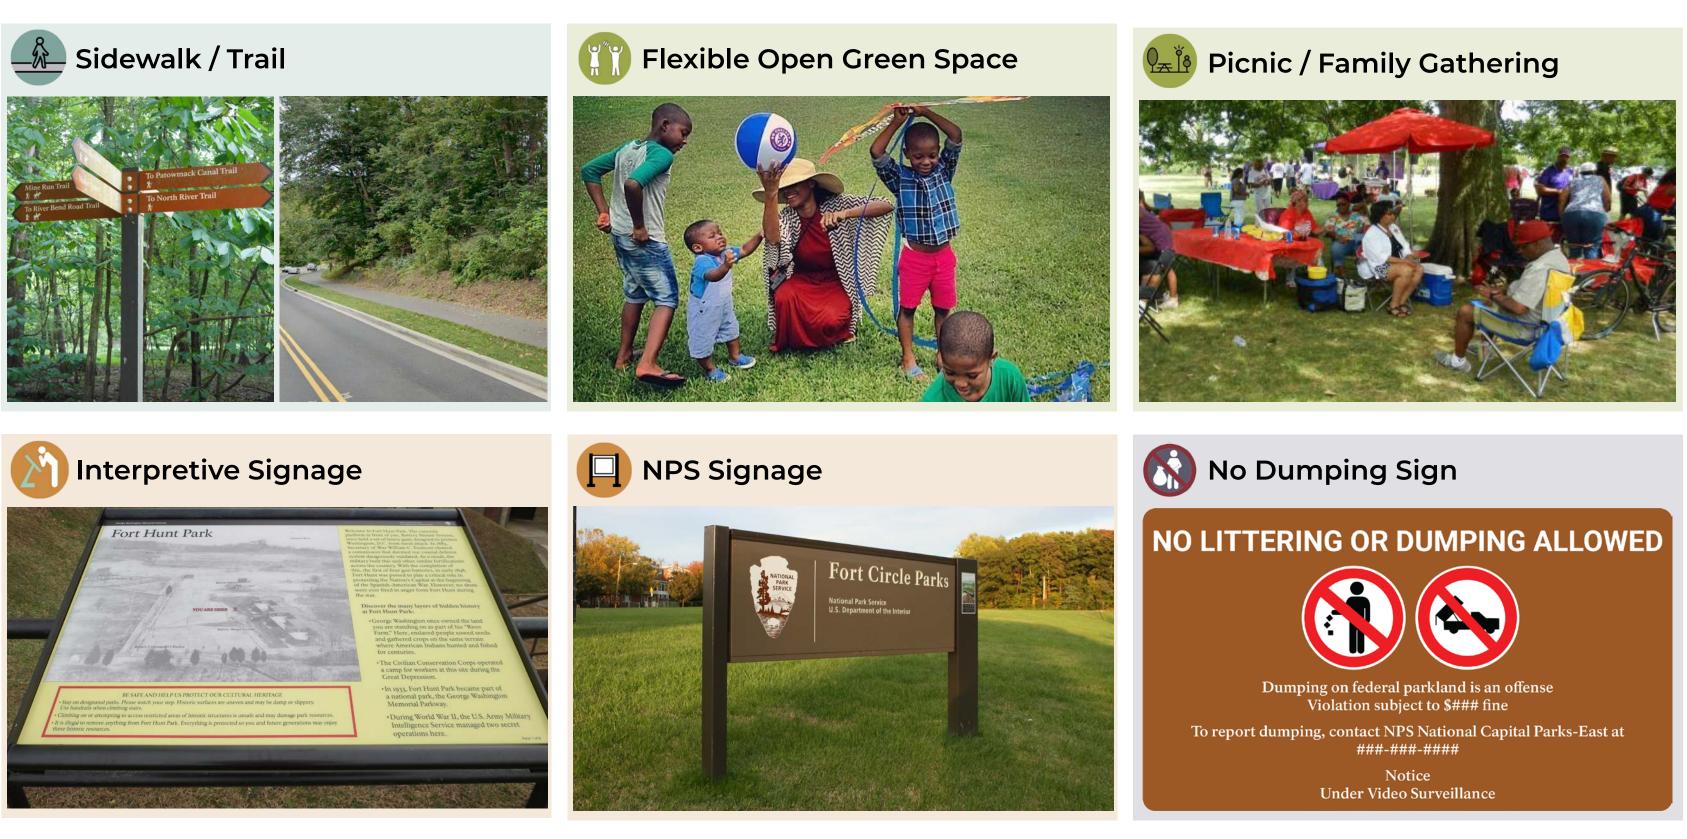

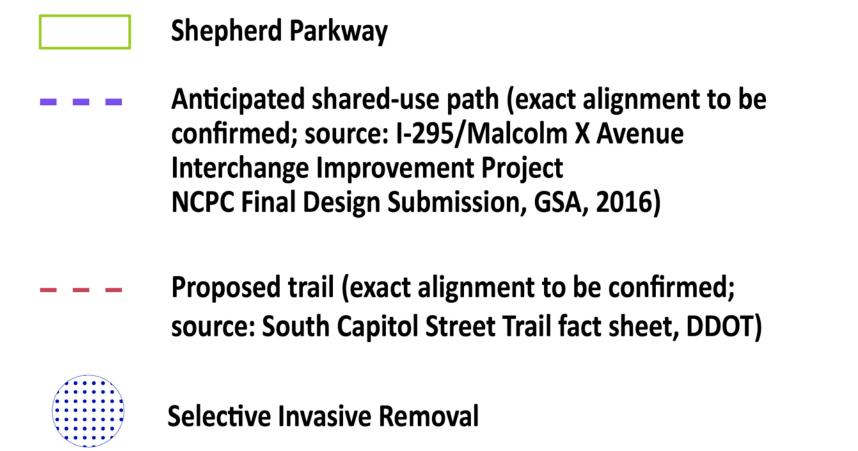

# South Capitol St. to southern boundary Option 2: City Trail Experience

- Sidewalk/trail along street and parkway edge
- Sidewalk/trail connections to multiple existing sidewalks
- Flexible open green space, picnic/family gathering area, and selective vegetation maintenance along 2nd St.
- Interpretive signage and treatments and selective invasive vegetation removal at Fort Greble
- Seating, NPS signage, no dumping signs/cameras, and trash receptacles provided at key nodes

### How Can You Submit Comments?

Please provide feedback on the concepts.

#### During this Meeting

Fill out a comment form

#### After this Meeting

- Online: Submit a comment form online by December 7, 2019 at http://parkplanning.nps.gov/shepherdpkwy\_dcp
- Written comments can be mailed to:

Superintendent

Attn: Shepherd Parkway Development Concept Plan

National Park Service

National Capital Parks-East

1900 Anacostia Drive SE

Washington, DC 20020

- Mailed comments must be postmarked by December 7, 2019 to receive consideration
