

Sand Creek Massacre National Historic Site

Public Meeting Invitation

National Park Service
U.S. Department of the Interior

Sand Creek Massacre National Historic Site
Colorado

Dear Friend ,

As we move into 2008, we are also moving forward in developing the general management plan (GMP) for Sand Creek Massacre National Historic Site. Thank you for the comments you have shared as part of our initial scoping. Your comments will help form a crucial foundation for our planning efforts during the upcoming year.

We have scheduled the first of our public meetings regarding the plan and the future direction of the national historic site. At these meetings, we will review the comments we have received to date, outline the important steps in the planning process, review the schedule for the plan's completion, and provide additional opportunities for you to express your vision for the future of Sand Creek Massacre National Historic Site.

We look forward to seeing you at one or more of the meetings. We will also be scheduling additional meetings in Montana and Oklahoma and will inform you when those dates are set. If you have questions regarding the meetings or any other elements of the general management plan for Sand Creek Massacre NHS, please contact me at the number below.

We greatly appreciate your continued interest and support.

Sincerely,

Alden Miller

Superintendent, Sand Creek Massacre NHS
