

2020 Commercial Communications Equipment on Mount Washburn

Memorandum of Agreement Between Yellowstone National Park (NPS) and The Wyoming State Historic Preservation Office (WYSHPO) Regarding Mitigation of Adverse Effects
Resulting from the Construction of Telecommunications Equipment on Mount Washburn

(MOA) Stipulation 1.e. The NPS will post a list of all commercial communications equipment* currently located on or near the Mount Washburn Fire Lookout at
<http://parkplanning.nps.gov/mtwashburn> within six months of the completion of the mounting structure and microwave upgrade.

*National Park Service operated Land Mobile Radio equipment is not Commercial and therefore not listed.
