Updates are proposed regarding the use of electric bicycles (e-bikes) to reflect recent regulatory changes. The entry under 36 CFR 13.50 will be replaced with the following:

All roads, parking areas, and trails currently open to bicycles will be open to e-bikes.

Restrictions applied to standard bicycles in Katmai National Park and Preserve also apply to e-bikes including the seasonal closure and snow cover requirements in the Valley of Ten Thousand Smokes, see 43 CFR 36.11(e) in this compendium for more information.
