Chris Shaheen  
Program Manager  
Urban Design Division  
DC Office of Planning

Dear Mr. Shaheen,

The National Capital Memorial Advisory Commission (Commission) is in receipt of the following application for commemorative works that you transmitted on behalf of the District of Columbia's Commemorative Work Committee (CWC):

- A proposal for a bust of Huseyn Javid at 1212 Potomac Avenue NW.

We understand that the CWC referred this project to the Commission for review and comment as required by the "Commemorative Works on Public Space Amendment Act of 2000" (DC Law 13-275). While such a review is not required by the Commemorative Works Act (40 U.S. Code, Chapter 89) which established the Commission, it has been the practice of the Commission to review referred projects during its public meetings.

I will note that such past reviews were typically for commemorative works proposed to be located in parks or other public or similarly prominent spaces. In contrast, the Javid commemorative work will be placed in the front yard of a privately-owned building, albeit still within the public right-of-way. I have reviewed the submitted materials on behalf of the Commission and concluded that, given its placement, no further review by the Commission is necessary.

Thank you for referring this project to the Commission. If you or the project sponsors should have any questions, please contact Commission Secretary Beth Porter, at [Beth\\_Porter@nps.gov](mailto:Beth_Porter@nps.gov).

Sincerely,

Peter May  
Chair  
National Capital Memorial Advisory Commission
