

Save Taxpayer Dollars!!!

Dear Interested Party:

We are working on the Environmental Assessment (EA) for motorized vehicle access at Curecanti National Recreation Area, including the Blue Mesa Reservoir (also known as Blue Mesa Lake). We plan to release copies of the Motorized Vehicle Access Plan/ EA (Plan/EA) to the public in the Fall of 2009. If you would like a full copy of the Plan/EA, ***please return this form by August 1, 2008.*** Those parties who do not respond will receive a summary of the document, but not the full copy.

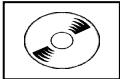

Blue Mesa Reservoir

Printing and mailing this Plan/EA is expensive. If you have a computer, you can help us to minimize costs by reviewing the document in electronic format on the internet at <http://parkplanning.nps.gov/CURE> or on CD-ROM (about 1/10 the cost). Printed copies of the documents will also be available for review at the park headquarters and at area libraries in Gunnison and Montrose.

Of course, if you need a printed copy of the Plan/EA, you may request one. Please use the form or email address below to let us know your preference.

THANK YOU!
Connie Rudd
Park Superintendent
