US

One day we must come to see that peace is not merely a distant goal that we seek, but that it is a means by which we arrive at that goal. We must pursue peaceful ends through peaceful means. — Rev. Dr. Martin Luther King, Jr.

True Peace Is Not Merely the Absence of Tension; It Is the Presence of Justice. — Rev. Dr. Martin Luther King, Jr.

It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work at it. — Eleanor Roosevelt

Peace is a daily, a weekly, a monthly process, gradually changing opinions, slowly eroding old barriers, quietly building new structures. — John F. Kennedy

Great Britain

Peace may sound simple — one beautiful word — but it requires everything we have, every quality, every strength, every dream, every high ideal. — Yehudi Menuhin

Canada

We must open the doors and we must see to it they remain open, so that others can pass through.— Rosemary Brown

First Nations

I see a time of Seven Generations when all the colors of mankind will gather under the Sacred Tree of Life and the whole Earth will become one circle again. — Crazy Horse
