## Categorical Exclusion Form

**Project:** Shawnee Shop, Replace Leach Field System

**PIN:** 23816

**Date:** December 30, 2008

**Describe project, including location (reference the attached Environmental Screening Form, if appropriate), and list any mitigations:**

**Project Description:** The installation of a new leach field system at Shawnee Shop Maintenance Facility will require the repair/rehab of the existing system which has failed and is not working properly. Project will include the installation of an infiltrator system and tank. No fill material should be required. Entire project is within the existing footprint of the current leach field. Project will upgrade current system to regulatory standards

**Project Locations:**

**Location**

**County:** Shannon Cty.

**State:** MO

**District:**

**Section:**

**Geo. Marker:**

**Other:**

(See Attached Environmental Screening Form)

**Mitigation(s):**

- Measures should be taken to minimize soil loss and runoff by creating a barrier (such as straw bales or plastic sheeting) on the lower end of the project area.

**Describe the category used to exclude action from further NEPA analysis and indicate the number of the category (see Section 3-4 of DO-12):**

C.8. Replacement in-kind of minor structures and facilities with little or no change in location, capacity, or appearance--for example, comfort stations, pit toilets, fences, kiosks, signs, and campfire circles.

**Describe any public or agency involvement effort conducted (reference the attached ESF):**

(See Attached Environmental Screening Form)

**On the basis of the environmental impact information in the statutory compliance file, with which I am familiar, I am categorically excluding the described project from further NEPA analysis. No exceptional circumstances (e.g. all boxes in the ESF are marked "no") or conditions in Section 3-6 apply, and the action is fully described in Section 3-4 of DO-12.**
