Mitigation(s):

- No mitigations identified

Describe the category used to exclude action from further NEPA analysis and indicate the number of the category (see Section 3-4 of DO-12):

C.9. Repair, resurfacing, striping, installation of traffic control devices, repair/replacement of guardrails, culverts, signs and other minor existing features on existing roads when no potential for environmental impact exists.

Describe any public or agency involvement effort conducted (reference the attached ESF):
(See Attached Environmental Screening Form)

On the basis of the environmental impact information in the statutory compliance file, with which I am familiar, I am categorically excluding the described project from further NEPA analysis. No exceptional circumstances (e.g. all boxes in the ESF are marked "no") or conditions in Section 3-6 apply, and the action is fully described in Section 3-4 of DO-12.
