ADMINISTRATIVE RECORD INDEX

This is the Administrative Record (AR) Index for the Upper Current and Big Spring Small-Arms Firing Ranges (SAFRs) at Ozark National Scenic Riverways (OZAR), Non-Time-Critical Removal Action (NTCRA). The file contains site-specific documents and a list of guidance documents used by National Park Service (NPS) staff in selecting the removal action alternative for the site.

The administrative record file is available for review during normal business hours at:

NPS Ozark National Scenic Riverways
404 Watercress Drive
Van Buren, MO 63965

The AR is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act in accordance with the United States Environmental Protection Agency's *Guidance on Conducting Non-Time Critical Removal Actions Under CERCLA*. The AR contains the body of documents used to form the basis for the selection of a response action.

Questions about the AR or this AR Index should be directed to:
