Dear Ms. Wheelock:

On April 5, 2010, we received your letter requesting ACHP concurrence with the National Park Service determination regarding the National Capital Planning Commission (NCPC) Executive Director's Recommendation (EDR) for the preliminary and final designs of the Lincoln Memorial Reflecting Pool and surrounding area project as approved by the NCPC on April 1, 2010.

We concur with your determination that the NCPC's April 1, 2010 approval of the EDR does not create new adverse effects nor intensify adverse effects already determined and identified in the Programmatic Agreement.

If we may be of further assistance as the Agreement is implemented, please contact Louise Dunford Brodnitz (202) 606-8527, or via e-mail at lbrodnitz@achp.gov.

Sincerely,

Caroline D. Hall
