The campsites are numbered/lettered from west to east along the IANST. Not all labels are visible, but their information is still in the table below. More information for each campsite is available in our database.

Only the Public Lands near the IANST are presented on this map. All others have been removed for a clearer presentation.

Data Sources:  
All Public Lands layers and hydrography layers are from the Department of Natural Resources. The campsite and IANST layers were created on site.
