

COMMENT FORM

Public Scoping for Cyclorama Building Environmental Assessment

Please provide additional information, ideas or comments about the Cyclorama building which will inform park staff about what should be included in an Environmental Assessment. You may leave your comment sheets with any staff member or mail your comments to the Superintendent at the address shown above or via e-mail to gett_superintendent@nps.gov. In addition, comments can be provided via the following websites: <http://parkplanning.nps.gov> or <http://nps.gov/gett>. All comments must be received by October 1, 2010. *Please note: Before including your address, phone number, e-mail address or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.*

We respectfully request the public's thoughtful evaluation and comments on these questions:

What are the planning issues we should be thinking about? _____

What are the alternatives we should be considering? _____

What are the important impacts we should be evaluating? _____
