Gullah/Geechee Cultural Heritage Corridor  
September 2010

We would like to hear your thoughts on the following questions. Feel free to attach additional sheets as needed. If you prefer, you can comment online at <http://parkplanning.nps.gov/GUGENewsletter2>; select "Comment on Document."

Your responses will be most helpful if you tell us why you liked or disliked an alternative. Please submit your comments by October 26th, 2010.

Keep in mind that the alternatives do not specify actions and strategies in detail and are intended to be broad in nature. It is possible that you may like some but not all the elements of one alternative concept, or you may feel that there are strengths in both action alternatives and the best management strategy would be to combine them. Maybe you have an entirely different vision that would address the Gullah/Geechee Cultural Heritage Corridor's planning issues. It would be most helpful to the planning team to understand the reasons for your likes and dislikes. Please be as specific as possible. With your comments we will then reevaluate the alternatives and modify them as necessary to help us formulate the best possible future direction for the Gullah/Geechee Cultural Heritage Corridor.
