**PEPC Project Number:** 32149

**Project Description:** Commercial stock outfitters obtain commercial use authorizations to provide guided pack animal trips into Yosemite National Park. These outfitters camp in Lyell Canyon in specific sites. This project proposes to install designated camping signs for the outfitters, this includes two new signs and two sign replacements that will be stored until needed. Project Location:  
Tuolumne County, CA

Mitigations:

- No mitigations identified.

Describe the category used to exclude action from further NEPA analysis and indicate the number of the category (see Section 3-4 of DO-12):

### C.5 Installation of signs, displays, kiosks, etc.

On the basis of the environmental impact information in the statutory compliance file, with which I am familiar, I am categorically excluding the described project from further NEPA analysis. No exceptional circumstances or conditions in Section 3-6 apply, and the action is fully described in Section 3-4 of DO-12.
